DREW KARANDJEFF

President

GRANITE CITY TRUST

Q: I understand why ob-
jections to the law requir-
ing dividend and interest
withdrawal are being raised
by the banking indus-
try. But, I don't

understand why banking

customers should be con-
cerned. It seems this will

make tax preparations

easier.

A: Tax preparations

may be a little easier, but

there is one serious

drawback to consider.

First, realize that the

regulations requiring

banks to automatically

withdraw federal tax on

savings interest and

dividends is not a new tax.

As you are aware, you

make the same tax pay-
ment on your individual in-
come tax form each year.

However, you should also

realize that under the pre-
sent system of declaring

interest and dividend in-
come, you have the use of

that money right up until

the time you file your in-
come tax statements.

Under the new provisions,

you do not have the use of

that money. If you feel

strongly about this law,

effective this summer, we

suggest you voice your

opinions to your U.S.

Congressmen.

Clifford H. Fore, a pioneer in
water and wastewater treat-
ment programs who was
credited with conceiving and
promoting the establishment
of the ERTC on the Edward-
sville campus.

A resolution designating
the name of the ERTC was
approved last week by the
SIU Board of Trustees.

Fore served as associate
director of the ERTC for two
years prior to his retirement
from the University in 1977.
He died in March, 1982, hav-
ing served as a member of
the Board of the SIU Founda-
tion and a member of the
SIU Alumni Association, as
well as a member of the
faculty in the School of
Science and Engineering at
SIUE.

A native of Carbondale,
Fore pursued baccalaureate
and graduate studies at SIU
at Carbondale. He was
superintendent of the water
and wastewater treatment
plants for the city of Car-
bondale prior to serving
nearly 20 years in a variety
of positions in private in-
dustry, with Illinois state
government as the assistant
water engineer for the Il-
linois Commerce Commis-
sion, and in the service of
the federal government through
assistance to developing
countries under the auspices
of USAID grants.

In 1965, Fore joined the
staff of SIUE as a member of
the faculty in the School of
Science and Technology and
as supervisor of the universi-
ty's wastewater treatment
plant. Due to his initiative,
the university began plant
operator training courses in
conjunction with the U.S.
Environmental Protection
Agency in 1967.

In the proposal to name

the ERTC in Fore's honor,

the University Building and

Facility Naming Committee

said, "Clifford H. Fore was

dedicated to improving the

quality of life and the en-
vironment through improv-
ing programs on operations

for water and wastewater

treatment. As a result of his

devotion to his field, thou-
sands of Illinois citizens

have been improved."

MOTORIST BLOCKED

GARY SCHNEIDER, Editor

Bridge work pains some people

We guess it is better to fix the Poplar Street Bridge than to let it fall apart, but this region's over-reliance on that Mississippi River span makes the current lane closings mighty painful for many thousands of commuters. There are not many convenient alternate routes.

The pain includes not only delaying of traffic but also denting of pocketbooks. McKinley Bridge tolls in Venice continue to be 30 cents, but East St. Louis has upped its Martin Luther King Jr. fee from 30 cents now to 40 cents as of May 1.

Instead of the usual 11,500 vehicles on the Venice bridge, daily use is topping 14,000. Traffic also is heavy on the King and Eads bridges. With Poplar Bridge repairs expected to require five months to complete, it could be a long, hot summer of discontent for those who travel daily from the state where they reside to a job in another state.

It may appear that East St. Louis officials are taking advantage of motorists but the city is defended by Frank Kriz, district engineer of the Missouri highway department, who points out that present toll revenue is insufficient to cover operational and maintenance expenses and bond debt.

Construction of the toll-free Poplar bridge

(Interstates 55 and 70) in the 1960s took much of the traffic away from King, McKinley and Eads, just as building of the I-270 bridge at Chain of Rocks had caused Madison to close its toll bridge. MacArthur in south St. Louis also was a casualty of the proliferation of free bridges, but Jefferson Barracks Bridge remains open a bit farther to the south.

Kriz thinks use of toll bridges will be a good choice until September: "I don't know how long you have to sit and wait in an idled car before you burn up the toll amount in gasoline. Also, your nerves suffer a lot of wear and tear."

Congressman Robert Young may be right in blaming disagreements by Missouri, Illinois and federal officials—over bridge ownership and funding—for delaying obviously-needed work on existing spans. These bridges, except for finances, could and should play a big role in relieving congestion all the time, not just when some of the Poplar lanes are closed.

In December, Congress approved a plan by Young to allow federal money to be used on the King Bridge as soon as tolls ended and ownership was taken by one or both states. No ownership pact has been signed and the tolls have remained, blocking U.S. funds and preventing Interstate quality from being achieved.

Meaningful retraining is needed

Now that a major retraining program is being planned at Southern Illinois University at Edwardsville under the Job Training Partnership Act, it will be important that the instruction be made meaningful. It needs to be closely related to actual employment opportunities.

Mary Kane, Madison County administrative assistant, says the retraining will focus on workers who have lost jobs through factory closings or layoffs, which is good news in light of the Quad-City area's bad news of approximately 20 percent unemployment in recent months. Illinois is receiving \$4,025,391, of which \$80,000 will go to SIUE.

It would seem logical to try to coordinate the retraining with other aspects of the new jobs bill. Detailed information on possible projects has been assembled by U.S. Senator Alan J. Dixon and forwarded to all mayors, township supervisors and county board chairmen.

Illinois' entitlement cities (more than 50,000 population) and urban counties (200,000 or more people) are slated for \$53,391,000 and small cities are to receive \$3,031,000. The Madison County share is \$1,195,000 and the St. Clair County portion is \$1,085,000.

"Dislocated workers" training centers will total 18 statewide. Those chosen for Southwestern and

Southern Illinois are SIUE, Carterville and Mattoon.

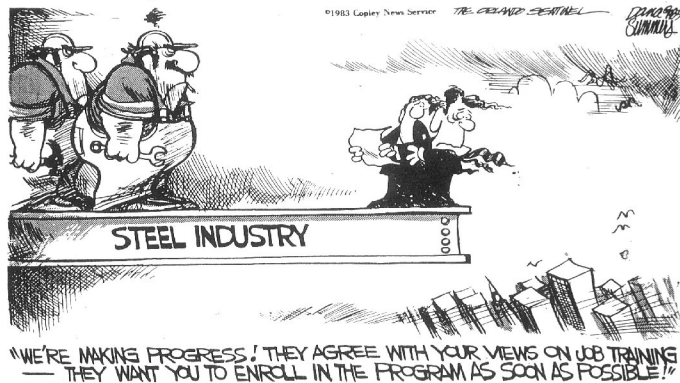

The Madison and Bond county boards, SIUE and Lewis and Clark College are aiding in planning Project CARE (Center for Assessment, Retraining and Employment), which is to be in operation on the local university campus by Aug. 1.

An even more urgent deadline faces other jobs bill participants. A statement on how each governmental jurisdiction will spend allocated funds must be submitted by July 1 to Director Dennis Manning of the Office of Community Planning and Development, Department of Housing and Urban Development, based in Chicago.

As Sen. Dixon sees it, "A jobs bill is only as good as the number of jobs it creates. The responsibility for a number of programs now lies within local officials' purview. Monetary applications should be submitted as soon as possible, since there will be a great deal of competition nationally and at the state level."

"Because of the interest in getting these funds distributed quickly so that people can be on the job in a short period of time, the sooner applications are made and can be implemented, the more favorably they will be reviewed."

We agree, and urge all involved to move as expeditiously as possible.

Readers React

ROY THOMPSON

OLLIE WALKER

RAY ROMINE

MICHELLE MEEHAN

Press-Record readers were asked if they thought a jobs training program for the unemployed would be successful or not. Their reactions follow:

Roy Thompson, Granite City

"I don't think it's going to work. I'm a welder out of work, and I don't know what they would be able to train me in because there aren't many jobs. You can't train people fast enough to get them in a new job to support their families. Even if you do train them in computers, there aren't that many jobs left in that market."

Ollie Walker, Madison

"It should work because we need it very much. It's one of the better things that is being done. There are a few people who need it. It's a very good project, and I hope it works."

Ray Romine, Granite City

"Yes, I think it will work. If the government puts enough money into it and the people are cooperative, I think it can help a lot of people."

Michelle Meehan, Granite City

"I really don't think it will work. It's going to take too long to retrain those people before things start to change."

Excessive layoffs are harmful to teachers

To the Editor:
Extraneous, unnecessary layoffs are a traumatic experience for teachers.

All over the state of Illinois, we are witnessing the same thing. Teachers are being thrown into a frenzy because of layoffs that are disproportionate to the realities of the situation facing our schools.

But this is not just Illinois' problem. It's happening on both sides of the river.

There is no question that our public schools are in a crisis, but the layoffs we are seeing are based on a bleak economic picture that we cannot live with.

The layoffs in this area alone would cripple this region's educational system. How can we talk about attracting new high-technology business to Illinois if areas like Alton, Edwardsville, Collinsville, Belleville and Fairview, which are plagued with high unemployment, don't first and foremost concentrate on the single most important in-

stitution in this country — education.

We have got to be forging ahead in education. We need to be training and preparing our youngsters, our children, for the future.

Yet, what do we see? Massive layoffs in mathematics and science, special education being slashed, nurses, bilingual educators, and other essential teaching professionals being dismissed.

The truth is we can't keep talking about attracting new "high tech" industries without preparing our children for the future.

Education is a vital part of the infrastructure of the state. It deserves everyone's support, and the fact is, we are cutting it.

School Boards are overestimating the need to cut back, and are putting teachers through one of the most traumatic experiences they may face.

Statewide, we are beginning to see it happen all over. About 5,000 or 6,000 teachers will get pink slips this April.

but we estimate that only a portion of those teachers actually have to be laid off.

We are not only talking about jobs, but the trend that public education is going. The quality of education is something we all need to be deeply concerned about.

The entire community needs to be aware that the quality of public schools cannot be maintained without qualified, trained, and caring teachers.

We are not talking about "fat" in our schools. We are getting down to the brass tacks. Teachers aren't "fat"; they are the critical link in the wheel that makes education go.

With the current state budget, we are talking about a cut that will slash elementary and secondary education by \$200 million. Higher education will be cut \$100 million.

We don't want these budget cuts to happen. They would mean overcrowded classrooms, fewer textbooks, and school closings.

REG WEAVER
President, Illinois Education Association

We are calling out our ranks, getting together with mayors, the press, and community leaders to band together to ensure that a tax package gets passed this legislative session. As part of this effort, we have taken an active role in the Illinois Fair Tax Coalition.

We hear a lot about getting back to basics, but nothing is more basic to America's greatness and its hopes for the future than universal, tuition-free, quality public education.

Education in this state does not have an alternative. We cannot continue to let education slide.

New monies must be found to fund education. The governor's tax package offers us hope.

We need the full support of school boards, administrators, and communities to join with us in supporting the tax package.

REG WEAVER
President, Illinois Education Association

Stands opposed to I-255 construction project

To the Editor:
Our farm is in the path of the proposed I-255 highway and I strongly oppose this project. One of my concerns is that the proposed highway runs through the middle of our drainage district.

We currently have drainage problems and the road would add vastly to these problems by acting as a dam across the area and raising the water level.

Because of a deep commitment to the land, I got caught up in Governor Thompson's 1980 Executive Order to preserve farm land. We now have over 4,000 acres of Madison County in the Land Preservation Program. Many people have put effort and faith in forming Land Preservation Districts. We would like to know if this is worth the effort for the farms of Illinois. If our

farms are not safe from the land-grabbing departments of the state, let's stop our futile efforts and meaningless programs.

Do not think that only a few acres of farm land are being lost to highways because the fact is, we are losing the equivalent of 320 acres every hour. Put it another way, we are losing a strip one mile wide from St. Louis to New York by the year 2000 the loss is equivalent to all the land in Illinois and Iowa. When America was first discovered, the Indians knew well what we are finally learning about natural resources — that no one person, or any one people own the land. You and I pass away, nations pass away, but the land remains. We are here to take care of it, not to destroy it.

Our local roads certainly do need upgrading and widening. This \$90 million planned for a new 5 1/2 mile highway could go a long way in improving our county roads. We already have five north and south routes in the immediate area: Routes 3, 203, 111, 157 and 159. It would be a waste to build another road, since we already have a loop to St. Louis, complete at highway 70.

As people become more aware and concerned about how their tax dollar is spent, it is prudent for them to public office to impede the trend towards fiscal irresponsibility. The American public, through its actions and through the ballot box, has sent a message to all in public office, "Let's live within our means."

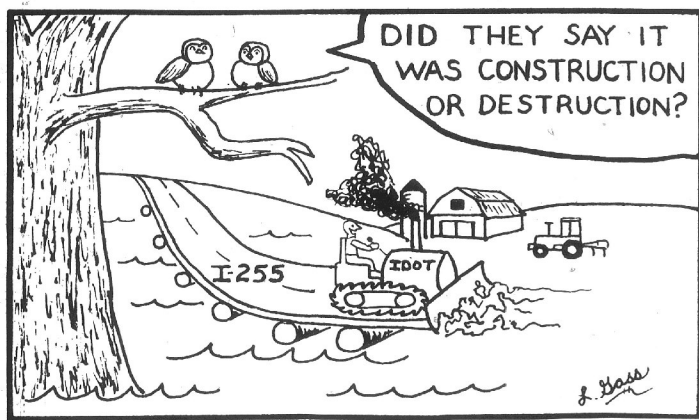

The P.I.K. (Payment in

Kind) program was designed by the government which continues to interfere in the market place by placing embargo on grain and losing our credibility as a dependable supplier. The PIK program is for one year. I-255 is forever.

Agriculture is an important industry for Illinois. If we don't defend our right to farm, we shouldn't criticize local and public officials for treating agriculture as a second class industry.

The 500 acres of Madison County farm land is worth more than a million acres of the Grand Canyon, if you are willing to grow food. Removing farm land from production is taking a bite out of the most important industry in this state.

GORDON G. GASS
Rural Route One, Box 680

YOUNG COMPOSERS, Lisa Lucas, left, and Briggitta Modglin received special recognition in the Young Composers competition held at Eastern Illinois University. They are students at Marshall School and are members of Lake Division Elementary Band, directed by Alicia Poplichak. Parents of the honorees are, Mr. and Mrs. Tom Lucas and Mr. and Mrs. Tom Modglin, all of Granite City.

GC students named 'young composers'

Marshall School students, Briggitta Modglin, daughter of Mr. and Mrs. Tom Modglin, 3025 Buxton Ave., and Lisa Lucas, daughter of Mr. and Mrs. Tom Lucas, 3001 Ramona Drive, received recognition as being official "Young Composers" by the judges of the annual Young Composers Contest held at Eastern Illinois University. The young musicians were awarded plaques from the organization recognizing their individual accomplishments and contributions to the field of elementary students' musical composition.

Briggitta, a fourth grade flutist, composed a flute solo entitled, "Sailing On the Sea." Lisa, a fifth grade bass clarinetist, composed a bass clarinet solo, entitled, "Dance With Me." Each entry had to be done as a musical piece composed entirely by the student. Neither girl required additional aid in notating their entries, although this was permissible. Both contestants are

members of the Lake Division Elementary Concert Band. Judges, who were professors of music from Eastern Illinois University's Department of Music, evaluated the student compositions for originality and musical creativity, musical notation, and complexity of the compositions. Participants in the contest included fourth, fifth, sixth, seventh and eighth graders from the elementary schools throughout the state of Illinois.

Briggitta and Lisa are students of Mrs. Alicia Poplichak, Marshall band instructor and director of the Lake Division Elementary Concert Band.

ALLEGE DOOR DAMAGE
Brian D. Brown, 19, of 210 Wilson Park Lane has been freed pending a hearing on a property damage charge, filed after a door was damaged at Parkway Confectionery, 27th Street and Michigan Avenue.

Head Start parents plan dinner dance

On Friday, May 13, the Madison County Economic Opportunity Commission Head Start parent policy council will hold its second annual dinner-dance at the Lewis & Clark Restaurant, Alton. A buffet dinner will be served at 6:30 p.m., with dancing immediately following.

Presentation of awards will take place to give special recognition to Head Start parents and community persons contributing the most in volunteer hours to this year's program. The public will be welcome to attend.

Tickets are \$5 per person and can be obtained from each Head Start center, including Granite City, 676-4539, and Madison-Venice, 676-6190.

Burglary charge against GC man

Richard M. Wilson, 43, of 2010 Grand Ave., was arrested by Granite City officers at a residence in the 2000 block of Washington Avenue last week on a Madison County warrant alleging burglary. A short time later, he was transferred to the county jail in Edwardsville by a sheriff's deputy.

Wilson was named Monday by the sheriff's department as being one of five area men either in custody or being sought for their alleged part in a series of burglaries occurring between Feb. 5 and April 2 in Madison and St. Clair counties.

The Illinois Division of Criminal Investigation cooperated with the sheriff's department in the investigation that cleared 13 burglaries, a county spokesman said Monday.

Two other GC men were arrested Sunday in connection with the case.

MOTORIST HURT
Janet L. Wilkinson, 16, of 2525 E. 24th St., sustained injuries and was taken by ambulance to St. Elizabeth Medical Center after the vehicle she was driving north in the 2500 block of Nameoki Road reportedly struck a parked auto, owned by Yvonne C. Steel, 15 Meadowlark Court.

RAYMOND ROMINE II
New captain

GEORGE NESBIT
Named engineer

JAMES SNELSON
Fills vacancy

Firefighters given promotions

Granite City firefighter Raymond Romine II has been promoted to the rank of captain and George Nesbit to engineer, according to action taken by the Granite City Council.

Romine, a native of Granite City, is the son of Fire Department Shift Commander Raymond Romine Jr.

The new captain was hired by the Fire Department in 1988 and was promoted to engineer in 1975. He previously worked at Granite City Steel.

Romine has been a member of the Madison County and Southern Illinois Arson Investigation Team for three years. He is a graduate of the University of Illinois' series of classes on arson investigation.

He is a graduate of Granite City Senior High School and

Eastern Illinois University, Charleston, Ill.

Romine has been involved in coaching ice hockey to teams for Granite City High School South and has been active in the Granite City Park District hockey program for 10 years. He also has coached softball teams.

He and his wife, Mary, have a daughter, Mary Margaret, and a son, Raymond Romine IV.

Nesbit's appointment as engineer was effective April 15.

He joined the Fire Department in August, 1973. He previously was a member of Cement Masons Local 90.

Nesbit, a resident since 1948, is a 1962 graduate of Granite City High School. He attended Lewis and Clark College and Belleville Area College and holds an

associate degree in fire science.

The new engineer is a member of Eagles Lodge 1126 and St. Elizabeth Catholic Church.

He and his wife, Charlotte, have a daughter, Michelle.

James R. Snelson was recently hired as probationary firefighter due to the retirement of Captain Richard Werth.

Snelson, a native of Granite City, is a former teacher for the Riverview Gardens School District. He is a 1969 graduate of Granite City High School. He received his bachelor's degree in education from Southern Illinois University at Edwardsville.

He and his wife, Mary Ruth, have three children, Rex, Jamie and Jennie.

SIUE offering art classes for youths

Four art classes for children are being offered by the Craft and Graphics Shop at Southern Illinois University at Edwardsville.

"Kid's Art," a class designed to introduce the students to the basic forms of art, is offered Saturdays in the Craft Shop Annex in the basement of the University Center. It is underway. Class one is designed for children between the ages of 6 and 9 and meets from 9 until 11 a.m. Class two is designed for children 10 years of age and older and meets from 1 until 3 p.m. Registration for both classes is \$18.

"Advanced Drawing for Youths" is offered for children between 10 and 15. The class will meet Fridays from 6 until 8 p.m. at the Tower Lake Craft Center. The class began last Friday. Registration is \$18.

A class on cardboard construction and design meets

Tuesdays from 4 until 6 p.m. in the Craft Shop Annex. It began last week. The class is for children between 6 and 9 years of age. Registration is \$18.

A workshop dealing with three-dimensional design is offered each Saturday from 1 until 3 p.m. in the Craft Shop Annex. The class began April 23 and the fee is \$18.

For more information, interested persons may call the SIUE Craft and Graphics Shop at 1-692-2178.

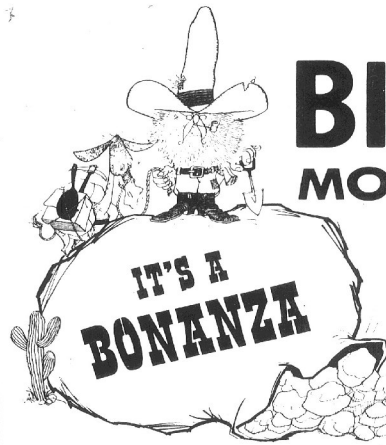

RANSACK TRAILER
Ralph Watson, 2451 Logan Ave., reported last week that someone pried the door to a 25-foot camper trailer and ransacked the interior. An inventory was being taken to determine if anything was missing. Two previous thefts occurred on his property in the past six weeks, he said.

Obituaries

Mildred Harris

Mrs. Mildred F. (Buente) Harris, 77, of 1754 N. 58th St., Washington Park, a former resident, died at 12:50 p.m. Saturday, April 23, 1983, at Memorial Hospital in Belleville. She had been ill the past two years and was in the hospital 10 days.

Mrs. Harris was born in Venice, S.C. She resided more than 50 years in the Quad-City area prior to moving to Washington Park about 25 years ago.

She retired in 1968 from the offices of GMEO Railroad, where she was employed 20 years as a billing clerk.

Mrs. Harris was a member of St. Peter Evangelical United Church of Christ and Granite City's Gabriel Shrine 78, Order of the White Shrine of Jerusalem. She also was a past worthy matron of a local chapter of the Order of Eastern Star.

Among the survivors are her husband, Marion Harris, and a brother, Harry Buente of Granite City.

Services will begin at 1:30 p.m. Tuesday, April 26, at Randall A. Irwin Chapel for Funerals, 2801 Madison Ave., with the Rev. James Brown officiating. Burial will be in St. John Cemetery, 2901 Nameoki Road. Visitation begins at 3:30 this afternoon.

Ronnie Knight

Ronnie D. Knight, 48, of 152 Troekler Lane, Mitchell, was pronounced dead of apparently accidental carbon monoxide poisoning at 9:45 a.m. Friday, April 22, 1983, at St. Joseph Hospital in Highland, shortly after he was discovered in a garage at Grantfork.

There were no signs of foul play or suicide, a Madison County deputy coroner reported.

Mr. Knight apparently fell asleep in a pickup truck with the engine running inside the garage sometime Thursday night, authorities believe. The rented garage was used for truck repairs.

The pickup's engine was running when Mr. Knight was discovered by a man who came to the garage looking for a third person, Madison County deputies said. The garage is located about seven miles east of Edwardsville.

Mr. Knight, a truck driver, owned and operated Liley Truck Co., in Mitchell.

He resided here 18 years and was a native of Salem, Ill. He was of the Protestant faith.

Among the survivors are his widow, Mrs. Susan Knight; a daughter, Laura Knight, and a son, Matthew Knight, both at home; his parents, Mr. and Mrs. Jesse (Marie) Knight of Granite City; a sister, Mrs. Terry (Shirley) Talley of Granite City; and six brothers, Donald, Mike and Joe Knight, all of Granite City; Eugene Knight of St. Charles, Mo.; Linzy Knight of Advance, Mo.; and Gary Knight of Riverside, Calif.

A brother, David Knight, died in 1974. Services were conducted by the Rev. Henry Crippen at 11 a.m. today, April 25, at Mercer Mortuary, 1416 Niedringhaus Ave. Burial was in Sunset Hill Cemetery, Edwardsville Township.

Josephine Martin

Mrs. Josephine (Srdock) Martin, 62, of 1233 Washington Ave., Madison, a lifelong resident of Madison, was pronounced dead upon arrival at St. Elizabeth Medical Center at 2:04 p.m. Saturday, April 23, 1983. She was taken to the hospital from home.

Mrs. Martin had been employed for the past two years at St. Louis Trimming Co., where she prepared sample kits for the firm's sales force.

Lawrence Pashia

Lawrence Pashia, 90, a lifelong resident of Collinsville, died at 8:15 a.m. Sunday, April 24, 1983, at Madison County Nursing Home in Edwardsville.

Prior to his retirement, Mr. Pashia worked as a construction carpenter through the Carpenter's Union, Local 633, of Granite City.

He was a member of SS Peter and Paul Catholic Church in Collinsville.

Survivors include his widow, Mrs. Ella (Portell) Pashia; four sons, Charles G. Pashia, Los Angeles, Calif.; Lawrence A. Pashia, Eagle, Idaho; James E. and Joseph "Mike" Pashia, both of Collinsville; four daughters, Mrs. Virginia Jones, and Miss Shirley E. Pashia, both of Collinsville; Mrs. Thomas (Anabelle) Weller, California; and Mrs. Malcolm (Wilma) Morris of O'Fallon, Ill.; 11 grandchildren and three great-grandchildren.

Visitation will begin at 4 p.m. Wednesday at Herbert A. Pashia Funeral Home, 515 Vandall Ave., Edwardsville. A 10 a.m. funeral mass will be read Thursday, April 28, at St. Peter and Paul Catholic Church in Collinsville with burial in the church cemetery.

James Maue

James J. Maue, 51, of 608 E. Chain of Rocks Road, Mitchell, the father of eight children, was stricken with an apparent heart attack at home and died in the emergency room at St. Elizabeth Medical Center at 9:04 a.m. Saturday, April 23, 1983.

Mr. Maue was a foreman in the Hot Rolled Finishing Department at Granite City Steel, where he had been employed 32 years.

He was born in New Baden, Ill., and resided in Mascoutah before moving to Granite City 16 years ago. He was of the Protestant faith.

Mr. Maue was a veteran of service in the U. S. Navy during the Korean conflict. He was a member of the Mitchell Volunteer Fire Department.

Among the survivors are his widow, Mrs. Mary Lou Maue; six sons, John, Danny, Matthew and Mark Maue, all at home; Jim Maue of Grants Pass, Ore.; and Brian Maue of Glen Carbon, Ill.; four daughters, Mrs. Carolyn Maue, at home; and Mrs. Diane Eagan of Granite City; three brothers, Jerome Maue of Mascoutah, Ralph Maue of Breese and Wilmer Maue of Trenton, Ill.; three sisters, Mrs. Mary Ann Moorhead of Carlyle, Ill.; Mrs. Hermia Ross of New Baden and Mrs. Althea Schaeffer of Belleville; and three grandchildren.

A brother, LaVern Maue, preceded him in death.

Services will be conducted at 1 p.m. today, April 25, at Faith Chapel in Mitchell, with the Rev. Floyd Holland officiating. Burial was to be in Sunset Hill Cemetery, Edwardsville Township. Visitation was Sunday at Randall A. Irwin Chapel for Funerals, 2801 Madison Ave.

Elsie Miller

Mrs. Elsie M. Miller, 69, of Troy, Ill., the stepmother of a local resident, died at 6:25 p.m. Friday, April 22, 1983, at St. Andrew Anderson Hospital in Maryville. She had entered the hospital the same day.

Mrs. Miller was born in Shawneetown, Ill., and resided in Troy for many years.

Among the survivors are her husband, Henry C. Miller; one son, Gene Volterst of Edwardsville; a stepson, Larry Dean Miller of Granite City; and four grandchildren.

She was preceded in death by three brothers and a sister.

Services were held at 11 a.m. today, April 25, at Laughlin Funeral Home in Troy, with the Rev. Mason officiating. Burial was in Lake View Memorial Gardens, Belleville.

April 13 — Willie Salmond, Venice; Henry Parsons, Edwardsville; Pat Hall, Madison; Owen Salmond, Spaulding; all of Granite City.

April 12 — Irene Bauder, Venice; Cyril R. Jacobs, Venice; Kirk, Rollin Bickel

Irene Russell

Mrs. Irene (Morgan) Russell, 77, of 1521 Joy Ave., died at 6:15 a.m. Sunday, April 24, 1983, at Memorial Hospital in Belleville. She had been ill five years and in the hospital four days.

A native of Stewart County, Tenn., Mrs. Russell resided in Granite City the past 40 years. She was a member of Temple Baptist Church.

Among the survivors are her husband, Joe Russell; two daughters, Mrs. Don (Betty) Cook of Granite City and Mrs. Pauline (Pauline) Bucherich of Cleveland, Ohio; two brothers, Loyce and Leonard Morgan, both of Granite City; four sisters, Mrs. Leona Russell of Granite City, Mrs. Cora Scott of Paragould, Ark., Mrs. Ardie Chadwick of Dover, Tenn., and Mrs. Robert (Ollie) Waters of Paris, Tenn.; nine grandchildren and nine great-grandchildren.

Services will begin at 1 p.m. Tuesday, April 26, at Bob Thomas Memorial Mortuary, 2206 Pontoon Road, with the Rev. Jack Gouy officiating. Burial will be in Sunset Hill Cemetery, Edwardsville Township. Visitation begins at 2 p.m. Monday.

Pearl Young

Mrs. Pearl M. (Marshall) Young, 79, a resident of Collinsville, died at 6:30 a.m. Friday, April 22, 1983. She was born in Murphysboro, Ill., and resided in the area since 1960.

Mrs. Young was a member of St. Joseph Catholic Church, and also held membership in Thornegate Garden Club and the Royal Neighbors.

Mrs. Young worked in the business offices of Scruggs, Vandervoort and Barney, and F. W. Woolworth stores in St. Louis and Edwardsville.

Her husband, Mervin Young, died Dec. 30, 1957.

She is survived by one sister, Mrs. Beula Miller of Granite City.

Visitation was Saturday at Irwin Chapel for Funerals, 2801 Madison Ave., where her remains were taken to the Pettett Funeral Home in Murphysboro, for visitation Sunday afternoon. Funeral services were conducted at 10 a.m. today, April 25, at the funeral home with burial in St. Andrews Cemetery, Murphysboro, Ill.

April 10 — Glenda Guenther, Boca Raton, Fla.; Gary Husted, all of Granite City; Debbie Lackey and Ethel Rushing, both of Collinsville; Ethelene Burns and Marjorie Crowell, both of Troy; George Knapp, Glen Carbon; David Hunsicker, Highland; Patricia Miller, Edwardsville; and Savannah Johnson.

State urges measures where high lead found

Residents in southwestern Granite City and northern Madison, where lead levels in the soil were found to be the highest, are being urged to take certain health precautions.

The following practices are particularly important for people living within about one-half mile of the smelter," according to a joint report issued by the Illinois Environmental Protection and the Illinois Department of Public Health.

Small children, generally 6 years old or less, should not be allowed to play in dirt. However, normal sports or play activities on dirt areas

by children and adults do not need to be restricted.

No one in the area, especially children, should eat, drink or use any objects in their mouths.

Grass or other ground cover should be planted in residential yards where dirt is exposed.

Children should not eat outdoors if they are likely to get soil on food or on their hands while eating.

Everyone should wash hands and faces thoroughly before eating.

Due to the higher levels found in vegetables grown where soil-lead concentrations were high, gardeners are being asked to take the following measures.

All vegetables from home gardens should be washed thoroughly before being eaten.

Garden soil should be tested periodically for phosphorus and acidity levels. A neutral acidity level helps inhibit plant uptake of lead, as does an adequate amount of phosphorus.

Gardeners are advised to have soil tested periodically. The Madison County Cooperative Extension Service Office has offered to advise residents on how to collect and have their samples tested. The number is 1-656-8400.

After shots reportedly were heard at 11:25 p.m. Friday, officers went to the 2200 block of Lewis Avenue and alleged seeing a man at the rear door of 2222 Dewey Ave., holding a gun in his hand, and two small children standing behind him in the kitchen.

The officer radioed for backup and drew a service revolver, advising the man to stop, but the man went inside the house and closed the door, reports stated.

After the man was told to come out of the house, he reportedly complied and was identified as Charles E. Ragan, 40, of that address. Officers said two small children were seated at a kitchen table and the smaller of the two was crying. A black gun case was on the table.

Reports alleged the barrel of a weapon was seen sticking out from beneath a clothes basket in a bathroom adjacent to the kitchen, and a Browning automatic with live rounds in the clip and one in the chamber was confiscated, reports said.

Five spent rounds of ammunition, allegedly recovered near a rear porch. Ragan was charged with discharging a firearm in the city limits and with not having a Firearm Owner's Identification (FOID) card.

Soon after Ragan's arrest, a 1971 Chevrolet, the house and the youngsters, who were the children of a Granite City couple, were left in her care, reports said.

Registration is \$395 per person, with discounts provided for groups. Organizations sending three or more participants. Registration includes the cost of all meeting expenses, luncheons, both days, and coffee breaks.

News notes

The Madison County Bar Association's 1983 Liberty Bell award will go to Irving Dillard of Collinsville. The retired Post-Dispatch editorial page editor will be honored at a "Law Day" gathering at 10:45 a.m. Friday in the SIUE University Center. An author and former journalism professor, Dillard has taken special interest with the Illinois Environment and the U.S. Supreme Court.

The U.S. Senate voted 91-5 Thursday to repeal the scheduled July tax withholding of dividend and interest income. The measure is uncertain in the House, where Cong. Gephardt says it may hinge on finding \$4 billion in tax cuts or budget cuts to offset what he regards as losses due to tax cheating.

The Illinois Legislative Investigating Commission is urging more cooperation between agencies and citizens in order to curb child abuse. It says state and private groups are not providing the kind of coordination needed to deal effectively with abuse of youngsters.

Election of utility commissioners, part of legislation approved 7-1 by the Illinois Senate Agriculture, Conservation and Energy Committee, says state Sen. Michael Madigan and the Senate panel favor creating a statewide citizen utility board to represent consumers before the Illinois Commerce Commission.

Although widely assailed for not developing adequate backing for the state's highway package, Gov. James R. Thompson continues to speak out to it to groups. He says he has heard the present "doomday budget" proposal. He warned the Illinois State Medical Society on Sunday of potential job loss and that he would want to stay and work if the state government cuts its services as severely as now envisioned, he said.

University of Illinois trustees have raised tuition 10 percent, student fees up to 13.5 percent and housing rent by as much as 9.9 percent. SIUE also is raising tuition and fees by the proposed 1983-84 state budget could cause enrollment, staff and program reductions totaling \$24 million in the next fiscal year, which would have a devastating impact on this metropolitan area.

Democratic presidential hopefuls Walter Mondale, John Glenn, Alan Cranston, Cory Hart, Robin Askew and Ernest Hollings will attend a party fund-raising event at 10 p.m. in Springfield, Phil J. Rock reports. He is Illinois' Democratic chairman and Illinois Senate president. This state next March will choose 194 delegates to the 1984 Democratic presidential nominating convention, to be held in San Francisco.

With bus drivers and mechanics rejecting a new contract offer of 1,014 to 28, Bi-State unilaterally imposed terms of the proposal beginning Saturday. Some drivers as a form of protest are turning down overtime work; service was off 15 percent Saturday and it also is being affected today.

Alton Lock and Dam 26 reopened Sunday night after a two-day closing, during which a form cofferdam was repaired at the site of the replacement lock and dam project two miles downstream. A 15-barge tow broke loose from a towboat Friday, one of the tows striking a sand-filled cofferdam; replacement of the cofferdam was completed by temporary dams keep the Mississippi River bed dry while construction work proceeds. The tow was backed up 59 barges at 7 p.m. Sunday.

The longest strike in Peoria history, 6½ months, ended with a 10,703 to 5,144 ratification vote Thursday night. Caterpillar Tractor Co. production resumed Sunday. Auto workers retain quarterly cost-of-living adjustments, seniority rights and guaranteed profit sharing. The new pact ends guaranteed wage raises of three percent a year.

TIMOTHY HASTY of 6 Parktowne West, Home Park, has completed basic training in the U.S. Army at Ft. Dix, N.J., and is to report to Ft. Gordon, Ga., as a fixed ciphony repairer. He is the son of Mr. and Mrs. Richard Hasty of Granite City.

OFFER SEMINAR FOR ENGINEERS

Who would like to expand their knowledge in management techniques will be offered by Southern Illinois University at Edwardsville in the St. Louis area, Thursday and Friday.

Sponsored by the Center for Management Studies in the SIUE School of Business, the two-day seminar is scheduled at Stan Musial and Biggie's Airport Hilton Hotel at 10330 National Bridge in St. Louis. Sessions will be held from 9 a.m. until 4

Loss by National Steel; some positive signs noted

National Steel Corp. on Thursday reported a net loss of \$35.4 million, or \$1.94 per share, in the first quarter of 1983, compared with a loss of \$40.2 million, or \$2.15 per share, in the same period last year.

Income tax credits in the first quarter of 1983 were \$1.3 million, versus \$45.7 million in the same period last year.

National's Aluminum, Financial Services, Distribution and Energy groups were profitable in the quarter.

The Steel Group reduced its operating loss for the quarter to \$29 million, or 60 percent less than the \$72 million loss in the first quarter last year. The Fabrication Group's operating loss for the quarter was \$4.5 million.

Revenues declined 4.2 percent to \$796 million, versus \$831 million in the 1982 first quarter. Steel shipments declined two percent to 1.3 million tons.

National's first quarter earnings include a gain of \$10.5 million from the sale of excess coal properties in Illinois and a \$9.4 million extraordinary gain from an exchange of treasury shares of common stock for outstanding first mortgage bonds.

Overall long-term debt was reduced by \$17 million during the quarter, due principally to the debt-for-equity exchange. The corporation ended the quarter with short-term money market investments of \$72 million and

no outstanding short-term debt.

"Although there was some evidence of an economic recovery in our businesses during the first quarter, we were pleased with the progress that was made to reduce costs and lower the break-even point, particularly by the Steel Group. Prices for most of our products continue to be depressed."

"Incoming order rates suggest that the recovery in both volume and prices that was expected in the early part of the second quarter, experiencing a pause that will delay a sustainable recovery for several months," said Howard M. Love, chairman and chief executive officer.

"Nevertheless, we continued to reduce costs and are positioned to return to profitability early when the economic recovery resumes," he said while outlining first-quarter performance by the seven lines of business.

Steel Group — The group's \$29 million operating loss in the first quarter was substantially better than its financial plan and its performance in the fourth quarter of 1982.

Losses of \$20.2 million attributed to the Weirton Steel Division are not included, as they were charged against a \$25 million reserve set up last year to cover losses incurred prior to the anticipated sale of the division.

Sales declined seven per-

cent to \$642 million, versus \$687 million in 1982's first quarter. While steel shipments were slightly below the first quarter of last year, they were 25 percent above 1982's fourth quarter shipments. This was due mainly to a general upturn in the economy, and particularly to the first quarter's improvement in automotive production.

Raw steel production was 1.6 million tons, slightly less than in the first quarter last year.

A second blast furnace at the Granite City Steel Division started up in March, bringing to six the number of furnaces operating.

The recent resumption of production at the National Steel pellet plant will help improve the group's performance in the second quarter, it was noted.

"Steel bookings reached a temporary plateau in April due to a pause in buying by the auto industry and weaker than expected demand by the agricultural and pre-engineered buildings markets," said G. Watts Humphrey Jr., president of the Steel Group.

"However, our shipments in the second quarter are expected to exceed the first quarter's level. Even though steel prices remain depressed, better operating efficiencies and lower employment costs should enable the group to improve its financial performance in the second quarter."

OPENS OFFICE. Dr. Richard Reinhardt, fourth from left, has opened an office at 3717E Crossroads Plaza Shopping Center. Participating in the ribbon cutting were, from the left: Mattie Pope, a Tri-Cities Area Chamber of Commerce ambassador; Mal Embrich, ambassador; Alan Richardson, executive vice president of the chamber; Reinhardt; Debbie Reinhardt, his wife; Edith Reinhardt, his mother; Mike Consiglio (behind Mrs. Reinhardt), president of the Merchants Association; Robert Stevens, city clerk representing Mayor Paul Schuler; Vicky Buster, Nancy Chosich, Sheila Woodson, chiropractic assistants, and Lacey Randolph, ambassador. (Press-Record Photo)

AMERICAN FLAG is presented to Cub Scout Pack 24, Den Two, by Betty Wilkins, president of Amvets Auxiliary 51, for use at meetings and in public parades. Holding the gift from left, front row, is Chris Wells, Michael Collins, Mark Collins, Matthew Scorsdale and Derek Strong. Back row, Betty Wilkins, Jeff Wells, Brenda Wells, den leader, Joey Joyce, Carla Strong, assistant leader and Kevin Kavanaugh.

ALLEGES GROUP HAS BEEN IN CAR

While on patrol in the 1000 block of Lindell Boulevard last week an officer alleged seeking several persons in a parked auto which began pulling away when he approached, but stopped when the squad car's lights were activated.

When asking the driver, Joseph J. Price, 19, of Rural Route Two, Box 7095, for his driver's license, the officer alleged seeing a can of beer on the front floorboard of the car. Three open cans of beer, two full cans and one partially full allegedly were found in the car. Price was arrested and charged with illegal transportation of alcohol.

Two passengers, Tony J. Rujawitz, 19, of 5100 Sheila Drive, and Norman Keith Peck, 20, of Rural Route Two, Box 7091, were charged with illegal possession of alcohol. A juvenile was released without being charged. All of those arrested were released upon posting their driver's license or a bond.

STEAL '80 T-BIRD

A 1980 white Thunderbird, valued at \$5,855, was stolen from the front of the Woodrome Oldsmobile agency parking lot at 1905 Madison Ave., it was reported at 8:50 a.m. Saturday.

GC free house paint program applications being accepted

Granite City senior citizens and low-income families are eligible for an exterior house painting program sponsored by the city and Madison County Community Development.

The program is being coordinated by Mayor Paul Schuler for the fourth straight year.

The paint program will begin in June and will offer residents an opportunity to have the exterior of the residences painted free of charge.

Applications may be picked up at the Mayor's Office, City Hall, 2000 Edison Ave., or the office of Nelson Hagnauer, Granite City

Township Supervisor, 2060 Delmar Ave.

Those interested in more information should call Schuler's office at 452-6214.

Bi-State issues \$16 million in notes

The Bi-State Development Agency Board of Commissioners has approved the issuance of \$16 million in one year, variable rate, Revenue Anticipation Notes maturing April 12, 1984. The general obligation notes will be secured by anticipated transit appropriations to Bi-State from the Urban Mass Transportation Administration.

SOUND EQUIPMENT

Various pieces of sound equipment, including two large speakers, were stolen in a burglary reported last week at Victory Pentecostal Church, 2601 Cayuga St. An inventory was being compiled to determine exactly what items were missing.

The intruders broke a window on the west side and crawled through on the west side of the church, knocking several musical instruments and microphones onto the floor. The pastor's office and a podium were ransacked, reports said.

tion and Illinois Department of Transportation.

Manuel De La O, Bi-State's executive director, said that the advantage to Bi-State in issuing these notes is in solving cash flow problems. "The agency's transit operating expenses are incurred on a level basis over the year, but receipt of federal, state and local operating subsidy payments is not evenly distributed, causing temporary cash deficits from time to time. In order to avoid such cash flow problems these notes will be issued and the proceeds used for payment of transit operating expenses," De La O said.

As subsidy payments are made to Bi-State by UMTA and IDOT, they will be deposited by a trustee into a Debt Service Fund until an amount equal to the \$16 million note service requirement, plus interest, is on deposit. When the notes reach maturity at the end of one year, they will be paid off by the trustee.

Because of the certainty of

revenues from UMTA and IDOT, the notes are assured Mig-1, the highest rating, from Moody's Investor Service. The underwriter in the transaction is Ehrlich-Bober & Co., Inc. of New York, New York. Bond counsel was Kutak, Rock and Hule of Omaha, Nebraska, and agency counsel is Lashley, Caruthers, Baer and Harmel.

This is the third issuance of anticipation notes by the Bi-State Development Agency. On April 1, 1982, \$6.7 million in grant anticipation notes were issued. On October 15, 1982, \$15.2 million in revenue anticipation notes were issued.

CITED IN WARRANT

Kevin A. Hurst, 25, of 2290 Adams St., was arrested at home at 8:25 a.m. Sunday on warrants alleging driving while his license was suspended and illegal possession of alcohol.

SPRING FLOWERS. Mrs. Mary Jesse, president of the Women's Division of the Tri-Cities Area Chamber of Commerce, visits the floral booth at the Spring Fashion Show Sunday afternoon. Wearing a floral uniform, Mrs. Jesse is dressed in keeping with the theme of the show, "On the Boardwalk of Atlantic City," staged at the Granite City Township Hall, 2060 Delmar Ave. The display of spring and summer fashions attracted approximately 300 guests. Proceeds from the event will be used to further the plans of the Beautification Committee of the Chamber of Commerce, to landscape entrances of the Quad-City area. (Press-Record Photo by Donna Kimbro)

Tickets remain for 'Y' annual meeting

Tickets still are available for the Tri-Cities Area YMCA's 64th annual dinner tonight at Charlie's Restaurant.

State Sen. Sam Vadalabene (D-Edwardsville) is to discuss "Winning in Life." Numerous awards will be presented to supporters of the YMCA. A social hour will begin at 6:30 p.m. with dinner at 7 p.m.

Tickets are \$12 per person. They will be sold at the door without reservations, but, if possible, persons wishing to attend are being urged to

call the YMCA today at 876-7200 to make reservations.

Sen. Vadalabene, who serves the 56th Legislative District, is chairman of the state's Executive Appointments, Administration and Veterans' Affairs committees, vice chairman of the Appropriations II Committee and is on the Higher Education and Executive committees. He also serves on numerous commissions, including the St. Louis Port Advisory Council, Cities and Villages Municipal Problems Commission, Atomic Energy Commission and many others.

Births decline, death rate raises in Madison County

Marriages and deaths increased and births dropped in Madison County during

March, compared to last year's statistics for the same month.

County Clerk Evelyn Bowles recorded 267 births, including 140 boys and 127 girls, for an overall drop of 29 births from March 1982.

The county recorded 196 deaths, an increase of 32 more than last March. The number of marriages rose from 153 to 197.

TOOLS TAKEN

Leo Pulley, 200 McCambridge Ave., Madison, reported to county authorities Wednesday that burglars entered through a garage door and took \$1,000 worth of mechanic's tools between 1 a.m. and 6:30 a.m.

Lack of freight orders hurts Amsted

Amsted Industries Incorporated announced last week that sales in the six months ended March 31 were \$223.7 million, down \$96.6 million, or 30 percent, from the same period a year ago.

Amsted experienced a loss for the six months of \$6.2 million, or 8 cents per share, compared to a profit of \$5.3 million, or 54 cents a share, last year.

Robert H. Wellington, Amsted president, cited lower sales volume. The decreased volume reflected reduced demand for the company's products, resulting from continuing softness in the major markets the company serves.

Results were favorably affected by about \$400,000 in the six months and by about \$1.1 million last year from reduction of inventories valued on a LIFO basis. This method values most of the inventory at less than current costs and results in a favorable impact on profits when inventory quantities are reduced.

In the three months ended March 31, sales amounted to \$111.7 million, down \$42 million from the same period last year.

Operations in the quarter resulted in a loss of \$3 million, or 27 cents per share, compared to net income of \$2.2 million or 21 cents per share last year.

In the six months, railroad product sales were \$66.7 million, down \$49.8 million, or 43 percent, principally the result of lower new freight car construction and price weakness. The American Steel Foundries plant in Granite City currently has its staff on indefinite layoff.

Construction and building product sales of \$85.7 million were down \$10.2 million, or 11 percent. Most of the decrease was in the first quarter of the October-September fiscal year. Sales in the March quarter were down two percent from the year-ago quarter.

Sales of general industrial products were \$71.3 million, down \$36.6 million, or 34 percent, reflecting lower shipments of mechanical power transmission components, and filtration and parts handling equipment.

The decrease in operating results for all product segments was primarily attributable to lower sales volume, although price weakness in railroad products was also a significant factor.

Substantial cost-cutting measures have been reduced, in part, the impact of lower sales volume.

Wellington said additions to property in the six months were \$4.4 million. Present plans call for expenditures for property additions of about \$16 million in fiscal 1983. The spending will be for programs already under way and for replacement projects.

Working capital on March 31 was \$126.9 million. Current assets, including cash and short-term investments of \$38.6 million, totaled \$201.3 million. Current liabilities were \$74.4 million.

Accounts receivable of \$73.4 million and inventories of \$80.4 million remained in good control, he said. Receivables decreased \$10.5 million from the beginning of the year. Inventories were up \$5.4 million, largely from seasonal effects.

There was not short-term or long-term debt, and Wellington anticipated none in the balance of the fiscal year.

Amsted's backlog of orders was \$95 million. This compares to \$188 million a year ago and \$110 million on Sept. 30, 1982.

The backlog for new and repair freight car components was \$21 million, down from \$56 million a year ago and from \$39 million in September.

For the last half of fiscal 1983, Wellington said the outlook is for continued depressed results, though improved over the past two quarters.

Reduced mortgage rates appear to be leading the way to increased new home construction, and an improving economy should enhance sales of general industrial products, he said. However, the absence of orders for new railroad freight cars dampens the overall improvement in the earnings outlook for the balance of the year.

While profits are expected in the second half of the year, they may be insufficient to prevent Amsted from incurring a loss for the year.

The board of directors of Amsted declared a quarterly dividend of 20 cents per share payable June 15 to stockholders of record as of the close of business on May 20.

Burglars get inside bakery

Leo Lipe, owner of French's Bakery, 1735 Pontoon Road, called police at 11:20 p.m. Saturday when he heard noises and voices coming from the store area and then saw someone in the alley. He also found a side door at the rear of the building were open.

A cash register was taken from the front counter and two bank bags, one containing \$500 cash, were missing from an office desk which had been pried open.

Also stolen were a quantity of food stamps and a wallet containing credit cards and personal papers.

Appeal planned for U.S. funds to fix sewer breaks

Granite City Mayor Paul Schuler said last week that city officials will go to Washington, D.C., to appeal for disaster funds to repair sewer breaks.

Mac Warfield, superintendent of streets, told aldermen the city now has 10 sewer breaks and he expects two other lines to break soon. The mayor estimates it will cost the city \$700,000 to \$1 million to repair the breaks.

The Federal Emergency Management Agency (FEMA) earlier rejected the city's application for emergency disaster funds to repair such breaks.

In response, Cong. Melvin Price has arranged for the city to present its appeal in Washington before FEMA officials there. The mayor does not expect the meeting to take place before early next month.

Mayor Schuler said the

FEMA believes the city has the ability to pay for the sewer breaks itself, and the agency is using that as a basis to deny the request.

FEMA officials said earlier that funds were withheld due to the city's delay in reporting some breaks, and the long period the city has been experiencing sewer problems.

Numerous breaks in underground sanitary sewers have occurred in the 1970s and 1980s due to shifts associated with saturation of the ground during extended periods of rainfall.

Many pipes have been repaired, and the cost of repairs and related work has been substantial. In many cases over the years, sewage had to be rerouted between various lift stations until broken lines could be mended.

Volunteer Week observed at RIS

Volunteers are the heart of a vital program based in Belleville. Radio Information Service (RIS) broadcasts over closed-circuit radio, the reading of current printed material, to blind and physically handicapped people. This service depends on the assistance of more than 200 volunteers.

In 1982, a total of 244 volunteers donated more than 17,890 hours to RIS. These people broadcast, help clerically, assist with fund

raising events, place the closed-circuit sets, operate the control board and more. RIS is a non-profit program bringing the printed page to those less fortunate. If RIS had to pay for the hours of the volunteer duties, at minimum wage, the cost would be \$59,931.

Anyone interested in becoming a volunteer for RIS may call 1-397-6700. RIS is located at the National Shrine of Our Lady of the Snows in Belleville.

Madison School Board receives Dunbar report

The Madison School Board Tuesday night was told that the brick veneer on Dunbar School will continue to deteriorate without a major masonry project.

Henry Gabriel, president of Henry R. Gabriel & Associates Architects, submitted his findings to the board after inspecting the school and concluded that work could be done to "extend the life of the building for a short period of time," but that major repairs are needed to prevent further deterioration.

The board decided to ask that bids for the project be resubmitted and include Gabriel's specifications.

The board also heard a report from Daniel Kostencki, high school principal, regarding the In-School Suspension Program. His report said the committee has nearly completed the rules and regulations for the program.

A series of informational meetings on the program are planned for students and their parents. It was announced on Monday, May 2, at 7 p.m., the committee plans to meet with the parents of current students and the parents of incoming freshmen.

On Wednesday, May 4, a series of assemblies will be conducted for the three remaining classes that will be affected by the program.

In other action, the board adopted two sections of its policy manual.

A \$25 fee was adopted by the board for behind-the-wheel driving classes to

cover expenses. Board member Billie Bosworth said that parents with children who take the classes, as opposed to those who do not, will find the money well spent because of decreased insurance rates.

"The fee will be well worth it," she said.

"The fee will be effective at the start of the new school year."

EPILEPSY GROUP MEETS WEDNESDAY
The Southwestern Illinois Epilepsy Association will be sponsoring an information and support group for parents in the Granite City area. The onset of epilepsy in a family member requires the family to go through a process of adjustment.

This can be a difficult process and many parents report by feeling guilty or overprotecting the child. The purpose of the group will be to assist parents in learning more about the disorder, and making a healthy adjustment to it.

The group will meet on the fourth Wednesday of each month beginning April 27 at 7 p.m. in St. Elizabeth Medical Center's PASCAL Hall. The April 27 group will focus on concerns of parents and planning future groups. There is no charge or obligation to participate.

AN EDWARDSVILLE WARRANT SERVED
While on patrol last week, an officer stopped Kevin K. Trobaugh, 28, of 4029 Rode Ave., who was walking in the 4000 block alley between Rode and Melrose Avenues.

It was learned that Trobaugh was a resident of Edwardsville Police Department had an outstanding warrant alleging criminal trespass to land against Trobaugh, who was taken into custody. He was transferred 45 minutes later to Edwardsville police headquarters.

Grassroots Government

Upcoming meetings of Quad-City area governmental taxing bodies include:
Namecki Town Board 7 p.m. today, April 25, at 4250 Highway 162.
Venice Park Board (special) 6:30 p.m. today, April 25, at Venice Recreation Center.
County Sewer Committee (closed meeting) 6:30 p.m. today, April 25, at 301 E. Chain of Rocks Road, Mitchell.
Pontoon Beach Village Board 7 p.m. Tuesday, April 26, at Village Hall.
Madison City Council 7:30 p.m. Tuesday, April 26, at Madison City Hall.
Granite City Council 8 p.m. Tuesday, April 26, at GC Town Hall.
Granite City Park Board 7 p.m. Wednesday, April 27, at Wilson Park office.
County Sewer Committee 7 p.m. Wednesday, April 27, at 301 E. Chain of Rocks Road, Mitchell.
Madison School Board (special) 6:30 p.m. Thursday, April 28, at 1707 Fourth St., Madison.

3 named to GCC board

Drew Karandjeff, Carl E. Mathias and Leo H. Konzen were appointed to serve on the newly formed Granite City Advisory Board by the Belleville Area College Board of Trustees last week.

All three are residents of Granite City. Karandjeff is Trust & Savings Bank president, Mathias the Illinois Power area manager and Konzen is a partner in the Lueders, Robertson and Konzen law firm.

The Granite City Advisory Board will provide community input into planning for the Granite City Center of Community College of District 322. GCC will open for the fall 1983 semester, which begins Aug. 22.

It is expected that two more members will be appointed to the board in the future. BAC Board Chairman Patricia Bartoskas of New Athens said.

However, because planning for the center is in full swing, the BAC board decided it was important to go ahead and appoint those who have agreed to serve.

In other business, recently elected Student Trustee Gary Mudd took the oath of office. A resident of Cahokia, he was chosen by fellow students for the post.

Mudd replaces Sharon Owens, Fairview Heights, who served as student trustee during his past year. Board members approved the following appointments:

Sharon Banjavic of Fairview Heights as a full-time data processing instructor. She is a graduate of the BAC's data processing program and holds a bachelor's degree in business from McKendree College in Lebanon. She has worked as a part-time instructor at BAC since 1980.

James Henry as BAC coordinator at Beck Area Vocational Center. Henry was employed as director of the Southeast Illinois Career Center at Flora and Olney from 1978 to 1983.

The trustees also accepted a gift of an aircraft engine from Gene Belshie.

WARNERS OF 'GYPSIES'
Granite City Chief of Police Ronald Veizer warned Quad-City area residents Friday that gypsies have been operating in the area, charging high fees for spraying some substance on roofs and driveways and claiming it is waterproofing. Primarily, they have been using newer model pickup trucks with tanks in the back.

Veizer says anyone suspicious of persons offering to work on their homes may call the Granite City office at 877-6111 and an officer will check to see that the worker is licensed and is providing a worthwhile service.

Tony Muzzarelli and April Glowacki. Tanya Smith and Eric Ross are behind their classmates. The concert will be shown on South-Western Thursday on Channel 1, today, Wednesday and Thursday at 1 p.m., Tuesday at 6 p.m., Friday at 6:30 p.m. and Saturday at 10:30 a.m.
(Press-Record Photo)

EAGLE SCOUTS. Kevin Williamson and Mark Brazel advanced to the rank of Eagle Scout at a Court of Honor program, sponsored by Boy Scout Troop 7 of St. Joseph Catholic Church. Both scouts are freshmen students at Granite City High School South.

Boy Scout Troop Court of Honor

Members of Boy Scout Troop 7, sponsored by St. Joseph Catholic Church, celebrated Eagle Scout weekend with an Eagle Scout Court of Honor in recognition of two scouts advancing to the rank of Eagle Scout, and participating in "stash the trash" campaign. They also attended dinner at the Old Spaghetti Factory in St. Louis, and the following day attended the final game of the Steamer's season at the Checkerdome.

Kevin Williamson, son of Mr. and Mrs. Larry Williamson, and Mark Brazel, son of Mr. and Mrs. Ted Brazel, were accorded the honor of becoming Eagle Scouts.

Both are freshmen students at Granite City High School South. Williamson became a member of the troop in April 1980 and served the troop in several leadership positions. He received the Ad Altare Dei Religious Emblem Award on April 28, 1982, from the late Bishop McNicholas in Springfield. He also plans to receive the Pope Plus XII Religious Emblem in 1984.

At the present time he is a member of the Troop's Leadership Corps and serves as junior assistant scoutmaster.

Brazel has been a registered member of the group since September 1979 and has also served in various leadership positions. Presently he is a member of the Troop's Leadership Corps and is assistant senior patrol leader.

Both scouts participated in a service project in preparation for the award. Williamson was a rock-a-thon entry and all proceeds he earned were donated to the Tri-Cities Crippled Children Association. Brazel took part in a service project whereby he conducted a safety check of the central areas of Granite City.

The Court of Honor was opened by Stephen Kusmierczak Sr., followed by Ed Hoover reciting the American Creed, which was developed in 1917. Assistant

Scoutmaster Larry Williamson Sr. introduced members of the scouting families, scouts, troop committees, parents of the guests, and the guests and the Eagle Scout Court of Honor and the Eagle Scout Court of Review.

"The Spirit of Scouting" was the theme of the event and the guests, including Kevin Williamson gave the meaning of the scout oath and scout law. Greg Hagen and Ralph Walden Jr. offered a prayer called "The Brick."

Mike Brazel gave a short history of the Boy Scouts of America and Stephen Kusmierczak Jr. explained the Eagle Scout Badge. In conclusion, Joe Kusmierczak read two poems to honor the two Eagle Scouts.

Flaming Arrow Patrol members performed two skits entitled, "Fantasy Island" and "Breakfast" and the Leadership Corps presented, "Busch" and "Bear." All scouts then participated in a skit, "If I Were a Boy Scout."

Remarks were by Clyde Mertz of the Elks Lodge, who presented the Elks Eagle Scout Award, and Lefty Stark, the troop's unit commissioner.

The Rev. Gary Perret, M.S.F., pastor of St. Joseph Church, and the troop's executive officer, made the formal presentation to the two Eagle Scouts. He gave them the charge as their mothers pinned the badges. Fathers of the scouts then presented certificates to the boys.

After Rev. Perret read the chief scout executive letter the court closed with Tom Scaturro giving a thank you to the great master of all scouts. A dinner reception was held after the ceremony and both honorees received gifts.

MAN STEALS AUTO

The white 1972 Pontiac Catalina two-door hardtop auto of Mrs. Margaret Brimma, 1939 near Cleveland Blvd., was stolen Thursday by a man, 45, about 5-10 in height, 180 pounds, with dark curly hair and a moustache.

Promotions at university

Promotions for 31 members of the faculty at Southern Illinois University at Edwardsville, effective July 1, have been announced by University Personnel Services.

The promotions include 14 to the rank of professor, 15 to associate professor and two to assistant professor. Listed by schools or academic units, the faculty members and their new rank are:

School of Business - Arnold Franke, associate professor; Jack Kaikati, professor; Madhav Segal, associate professor.

School of Education - Donald Baden, professor; Larry Kristoff, associate professor; George Luedke, associate professor; Maria Starr, professor; Leslie Wehling, professor.

School of Fine Arts and Communication - John A. Haley, professor; Marcia La Reau, assistant professor; Kevin McCleary, associate professor; Joseph Pival, professor; David Brett Stamps, associate professor; Audrey Tallant, associate professor; Joseph Weber, professor.

School of Humanities - Gladys Daniels, associate professor; Linda Funkhouser, associate professor; Sheila Ruth, professor; Barbara Schmidt, associate professor.

School of Science and Engineering - Han-Cheng Chow, associate professor; John A. Spencer, professor.

School of Social Science - Nedra Branz, associate professor; Robert Mendelson, professor; Ronald Yarbrough, professor.

SIUE OFFERING BAHAMAS TRIP

The University Ticket Office of Southern Illinois University at Edwardsville will sponsor a trip to the Bahamas, Jan. 12 to 19.

The cost of the trip is \$375 for food occupancy. Double occupancy is available at a slightly higher cost, according to Ricardo Barria, student manager of the Ticket Office. The price includes round-trip air fare to Nassau and seven days of accommodations at the Bahamas Beach Hotel, Coral Beach, Nassau.

Barria said there is a \$50 non-refundable deposit due before May 19, with balance of the trip cost due before May 31. Reservations are limited.

For more information, interested persons may call the Union Station Ticket Office at 1-692-23-20.

REMEMBERING INHUMANITY. Granite City Mayor Paul Schuler, left, signs a proclamation designating yesterday as a day of remembrance of man's inhumanity to man, especially to the 1.5 million Armenians who died or were driven away from Turkey by the Turkish government in 1915. Witnessing the signing are the Rev. Khoren Hahabian of St. Gregory's Armenian Church, 1732 Maple St., and Arthur Asadorian, a member of the church's board of trustees.

Concerned Citizens angry over Sasyk's comments on group's cable alarm survey

An angry group of citizens gathered at Polish Hall in Madison, last week for the regular monthly meeting of the Madison Concerned Citizens (MCC).

The anger was over Madison Mayor Mike Sasyk's comments in various newspapers accusing the MCC membership of falsifying a postcard survey in regard to the city's cable alarm system.

A motion that passed unanimously by the 67 members present, called for W. F. "Mick" Strang, president of the group, to write Mayor Sasyk and demand a public apology.

There were 186 responses from the 325 survey cards distributed, with 86.6 percent

objecting to the city spending any more money on the cable alarm project. Strange said.

None of the residents attending the meeting have been asked by the city if they want the new alarm system and no cost figures have been made available, despite numerous inquiries by the MCC and individual citizens, he added after the meeting.

Although a few cards were signed, the group felt the survey would get a larger response if the cards did not call for a signature.

It was reported that legal counsel had advised the MCC that a court injunction to halt the cable alarm work be hard to obtain, since the system is supposed to be for the public welfare. However, there is a legal question as to whether the city can then lease the cable for television.

One member suggested the group to prepare now to defeat another "home rule" referendum. MCC members contended that in November, 1984, the city will again try

for "home rule." Home rule was defeated by the voters two to one in 1981.

A discussion was held at the meeting on such a possibility of forming the MCC into an actual political party. Some felt the city-backed aldermen were re-elected by such narrow margins in the recent election that it would be easier to get MCC-backed candidates elected.

However, the general opinion was not to form a political organization, but to remain a "citizen awareness" organization. The exception to this would be city-wide referendums, such as "home rule."

Strange announced that a MCC membership drive to be launched in May.

A Granite City Press-Record editorial on April 14 noted the importance of voting was praised by several MCC members. "If it had not been such a foul, rain-filled day when the election was held, a lot more people would have voted and we would have had at least one or two new aldermen," one member speculated.

Reappointments to university boards

Governor James R. Thompson has announced several reappointments to three university systems governing bodies, the Board of Regents, Board of Governors and the Southern Illinois University (SIU) Board of Trustees.

Reappointed to the Board of Regents were Brewster Parker, Lincoln, president of Logan County Title Company; reappointed; Harry Weibank, Crystal Lake, director of human resources for Sears Roebuck and Company; reappointed; and Carol Burns, Peoria, group manager, Multi-Ad Services Incorporated.

Terms for the reappointments expire Jan. 16, 1989, and they require Senate approval.

Board of Governors: Dominick J. Bufalino, Norwood Park, assistant secretary. Continental Distributor, reappointed; Nancy Froelich, Gridley, funeral director, reappointed; and William E. Hoff, Fairfield, an attorney reappointed. The reappointments, which require Senate confirmation, have terms ending Jan. 16, 1989.

SIU Board of Trustees: Carol K. Kimmel, Moline, former national president of the Parent-Teacher Association; Harris Rowe, Jacksonville, chairman of the board and chief executive officer of John Deere Life Insurance, reappointed; and William Norwood, Rolling Meadows, a pilot with United Airlines, reappointed. The reappointments require Senate approval.

DUI CHARGE AFTER CRASH THURSDAY

Erwin A. Porter, 39, of 1710 State St., was charged with driving while under the influence of alcohol Thursday day after the front of an eastbound car hit the rear of the parked auto of Marge Harshbarger, 2338 E. 24th St., at the latter address.

Evelyn Bridgeman, 2415 E. 24th St., owner of the parked car, was charged with failing to report the accident. She posted her driver license and Porter was released two hours later upon posting his driver license and \$102.

proval and have terms ending Jan. 16, 1989.

The Board of Regents' oversees operations at Illinois State, Northern Illinois and Sangamon State universities. The Board of Governors makes policy decisions for Eastern Illinois, Western Illinois, Chicago State and Governor's State universities. The Board of Trustees handles affairs at the two SIU campuses in Carbondale and Edwardsville. All of the positions pay expenses only.

ENLIST UNDER U.S. ARMY PLAN

Christopher R. Tanase of Granite City High School North has joined the Army with the assistance of Staff Sgt. John Robbins under the Delayed Entry Program (DEP). The DEP lets a recruit begin duty up to 12 months after enlisting, while earning credit for time in service for pay and assignment considerations from the original date of enlistment. Khris will report for duty in September, 1983, and will train as a parachute rig.

He is the son of Donald Tanase of Granite City.

CAMPS ARE CLOSED

Applications are closed for the computer day camps for children at Southern Illinois University at Edwardsville, according to Don Baden, associate dean of the School of Education. Co-sponsored by a 10-county microcomputer consortium, the day camps are scheduled June 13 through June 24, June 27 through July 9, July 11 through July 22, and July 25 through Aug. 4.

Down Warriors 12-8 in final game

Steelers win South's Ninth Annual Invitational

By ROGER KRAMER

GRANITE CITY — The wind rarely blows towards the right field fence at Granite City South's baseball field. That's because the wind usually blows from the north during baseball season.

It was probably a sign that Granite City North would win the ninth annual tournament.

Although the strong wind aided both teams, North outthrew the South and had more chances to use the wind. The Steelers won their second straight—and final—tournament by downing the Warriors 12-8.

North was 3-0 in the tournament, and South was 2-1 and finished second.

North Coach Bob Stegmeier put it all in perspective. "We hit the ball, and they hit the ball. We had 12 runs and they had eight runs. We were just fortunate to have more hits than they did."

North has now won four straight games to increase its record to 6-3, and it has been because of North's hitting. "We're really starting to hit well up and down the line-up, and we're hitting at the right times."

Terry Rujawitz, who had an inside-the-park home run in the second inning, agrees with Stegmeier. "Everyone's really coming around with the bats. If we can get our pitching down, we can be a really tough team."

Meanwhile, South Coach John Modica appeared as pleased as Stegmeier with the outcome of the tournament. After all, the Warriors had to fight from 3-0, 6-1 and 9-3 deficits in the second, third and fourth innings, but the Warriors refused to play dead.

"We could have won when they got that lead, but we came right back and gave them a game. I'm really happy with this tournament because it told me a lot about what kind of team we really are," Modica said.

Rujawitz's inside-the-park home run was just an indication of what was to come. The ball bounced to the right center field fence. Red Hessler followed up with a single, and Brian Levin hit a triple to send Hessler home for North.

Kevin Patterson hit a sacrifice fly bringing home Levin.

However, Pat Linhart hit a triple to right center field and scored on Randy Thurman's double to put the Warriors on the second cut to lead 3-0.

North appeared to have the game sewn up with three more runs in the third. Steve Trittschuh reached on a fielder's choice, Rujawitz walked, and Hessler scored both runners with a triple. Levin had a single to drive home Hessler.

Once again South came back. Mark Vanyo hit a double to open the inning, and Tom Adamiis, not to be outdone by Hessler, hit a single to drive home Vanyo.

South's starting pitcher, Dominic Griffin, pitched the first three innings, and Vanyo took over in the fourth. Vanyo was treated as roughly as Griffin in the fourth inning.

North added another three runs in the fourth and once again appeared to have South on the ropes. Left fielder Benny Nolan was hit by a pitch, designated hitter Jerry Book reached on an error, and Daren DePew hit a triple to send both home. DePew scored on Dave Sheik's sacrifice fly to make it 9-3.

Again, South refused to die and did some heavy swinging. Tom Stegmeier walked, Darrell Elmore hit a single, and Vanyo drove home Stegmeier with a triple.

Adamiis responded with a triple for his third and fourth RBIs of the game.

Jim Burton then came in for North's starter. He pitched a triple to fly to Newton down in Adamiis with a single, and South soon had the bases loaded. However, Stegmeier popped to Trittschuh for the final out.

"You can't really blame the pitchers for what happened here," Stegmeier said. "With the wind blowing as it was, the ball was really going to carry far, and both teams were going to get their hits."

North added some insurance runs in the sixth. Patterson walked and Nolan had a single, and then a triple to fly to Booker's single which scored two runs.

Hessler hit a triple in the seventh and scored on Nolan's sacrifice fly to close the score.

South managed to score one more run when Linhart singled and scored on Elmore's single off Burton, but North's pitching ace, Dan Whitsell, came in to force Adamiis to ground into a fielder's choice for the third out.

Whitsell, who has given up only one run this season, pitched a triple to fly to Hessler and Dudak to ground to Patterson.

son to open the inning. Although Linhart hit his second triple of the game to keep South's hopes alive. However, Whitsell struck out South catcher Jim Moulton on four pitches to end the game.

"You can't fault Dan for Linhart's triple because he hit a good pitch. Dan and Jim both came in and did excellent jobs," Stegmeier said.

"I really hope this helps us out a lot. We're really starting to hit the ball well. We've got a team that plays good defense. We had four people with two RBIs each tonight. Our pitching has been pretty good lately too," he added.

In all, North and South both had 29 base runs in the tournament. South actually out hit North in the final game 15-12. It was simply the timing of the hits that gave North the edge.

Meanwhile, Modica saw a lot of things in his team which really encouraged him. "We hit the ball well tonight. They just hit it up. We kept on fighting until the end, and that's important. It shows we can play tough when we have to."

"The best thing was that we fought back," Modica said.

South is now 6-7 for the season.

NOTES: Only one base runner tried to steal second base off DePew, North's star pitcher, in the tournament. The runner, Dudak, was thrown out in the first inning of the title game.

Three home runs were hit in the tournament. Two in the championship game, and one by Linhart in South's win over Niles West.

With the merging of the two Granite City high schools, the future of the tournament is unknown, according to Modica.

Trojans win Red Bud Invitational

By STEVE WHITWORTH of the Press-Record

RED BUD — The Madison Trojans won the Red Bud Invitational track meet Saturday, besting 14 other Class A schools.

Madison finished with 56 points. DuQuoin was runner-up with 33, Waterloo took third with 33, hosts Redbud were fourth with 30 and Chester was fifth with 26.

John Lewis starred once again for the Trojans. The senior was given a plaque as the outstanding performer in the field events.

Lewis broke the meet record in the high jump with a leap of 6-8. That ties his personal best from earlier in the season.

Lewis also won the triple jump with a mark of 42-3/4. Teammate Elmer Collins was runner-up in the event with a jump of 40 feet.

The Trojan star also took third in the long jump with 19-11. Collins placed fifth with 19-9. The event was crucial, however, as Coach Charles Steptoe pointed out.

"We got two points for Lewis finishing fourth and one point for Collins finishing fifth," said Steptoe. "Those three points were the difference in the meet."

Madison finished first in the 400-meter relay. Rouzel Porter, Leroy Latham, Morgan Leonard and Shawn Brown ran the distance in 4:49.

Leonard, Brown, Santos Howard and Derrick Jackson set a new meet record of 1:33.4 in winning the 800-meter relay. It was the best time the year for the 800-meter squad.

Charles Fuller won the 400-meter dash with a time of 1:32.3. Leonard took first in the 300-meter hurdles with 4:11, which equaled his best time of the year.

Leonard also had a second in the 110-meter hurdles and Brown was runner-up in the 100-meter dash to Scott Meggs of Freeburg.

Meggs of Freeburg. Meggs was named the outstanding performer of the meet in track events.

Brown played second fiddle to Meggs again in the 200-meter dash, running a 23.6 to the Freeburg sprinter's 23.2.

Steptoe said he was also pleased with the performance of the mile relay team, although they only finished fifth. Howard, Fuller, Maurice Silas and Steve Ball turned in a time of 3:41.5, which was their best time of the year.

The Trojanes took second in the girls' division with 39 points to DuQuoin's 30. Waterloo and Columbia tied with 32 points and Sparta finished fifth with 22.

Steptoe was obviously proud of Lewis, but he added, "Collins has been excellent for us in the field events."

The coach also praised a number of his seniors. Charles Fuller, "He's had a good streak going in the 400 meters," Steptoe said. "He always seems to do well for us in big meets, competing against large schools."

Berry hurt himself with 12 walks. The tall left-hander also struck out four and gave up just five hits to give the Vikings their 14 tallies.

Mosby said, "Everything about us is young, our team and our coaches."

"We're trying to start a winning tradition back in baseball," Mosby added. "We want to get the program back to where it was."

St. Paul's softball team also defeated the Red Devils with a score of 14-2 Thursday. It was Venice's first win of the year, having been rained out three times.

"We only have one senior and one junior on the team," said Coach Ken Perkins. "The rest are sophomores and freshmen. Also, we haven't been able to get outside much to practice."

Perkins said pitcher Cassandra White was "consistent." He also praised catcher Andy Wiley and center fielder Rosie Harmon.

Red Devil misuses or steals of home. Kesner held the Red Devils to five hits. He struck out nine and walked just three in going the distance.

"He's just a freshman, but he's the ace of our staff," said Coach Jerry Devany of Kesner.

Devany is a graduate of Venice, himself, and played on their undefeated baseball team in 1966. "I'm just glad to see them playing ball again," he said.

"This is the first time since 1966 that Venice had a few bright spots. Shortstop Mike Hogan doubled and singled and provided the Red Devils with some nice plays in the field. He also had the honor of scoring Venice's first run since the program was reinstated."

Catcher Dean Johnson drove in three runs with one of his two hits. The big backstop also gave Venice some badly needed leadership in the field.

Second baseman Larry McGeehe singled to drive in Venice's second run. Left fielder Jim Koelker singled for the

SAFE! John Linhart of Granite City South steals home plate in the sixth inning of South's 6-1 victory over Niles West (Skokie) at the South Round Robin baseball tournament Saturday.

Linhart ran home after South shortstop Randy Thurman stole second base. Making the late tag is Niles West catcher Jose Gonzales.

(Press-Record Photo by Roger Kramer)

Warriors are second; Niles third; Normal fourth

By ROGER KRAMER of the Press-Record

GRANITE CITY — It's one thing to have a good offense and defense, but it's even better to have good pitching to lighten the load of the fielders.

Strong pitching and hitting, with a few outstanding defensive plays sprinkled here and there, was the reason Granite City North and Granite City South were able to win their first two games at the ninth annual South Round Robin Tournament.

The Steelers, which eventually won their second straight tournament championship, defeated the Niles West Indians 6-1 Friday and the Normal University High Panthers 8-1 Saturday.

Meanwhile, South defeated Normal 2-0 on Friday and Niles West 6-4 Saturday.

Niles West defeated Normal University 5-3 in eight innings to take third place in the tournament with a 1-2 record. Normal University was 0-3 for the tournament.

NORTH 6

NILES WEST 1

North pitchers Jim Burton and Ray Takmajian combined for a five-hitter, and the Steelers batters showed what was to come in the tournament in the opener Friday.

Burton, who started and pitched the first four innings, gave up only two hits. Burton left with a sore arm, and Takmajian kept the Steelers out of serious trouble for the other three innings.

North's batters made things much easier for the pitchers by scoring in the first four innings. Daren DePew opened the game with a single, stole second, went to third on a wild pitch and scored on Steve Trittschuh's bloop single to right field.

In the second inning, Kevin Patterson walked, stole second, moved to third on a wild pitch and scored on Indian shortstop Eric Frank's error. North's Benny Nolan, who reached first on the error, scored on DePew's RBI single.

Rod Hessler scored for North in the third on designated hitter Kevin Coakley's single. Trittschuh scored in the fourth on an error, and Dave Sheik scored in the sixth for the Steelers.

Although Niles West was able to score on North's only error of the game, the run came in the seventh. By that time,

it was too late to stage a comeback.

"I thought we had good pitching efforts out of both Jim and Ray," North Coach Bob Stegmeier said. "Niles West has a nice team, and we did a good job defensively to keep them in check."

Trittschuh was 3-for-4 against Niles, and DePew was 2-for-3.

SOUTH 2

NORMAL U. 0

Junior Mark Dowdy had his best varsity pitching performance ever by shutting out the Pioneers with a three-hitter.

Dowdy gave up hits to the Indians' Jeff Cole, Dave Shaw and Tony Schultz, but the Indians were never able to put a rally together. Dowdy made things easier on himself by walking no one so the hits would have little effect.

The junior pitcher, who was hit hard in an earlier outing with Edwardsville, didn't throw the ball past anybody as he struck out only two batters. However, Dowdy kept the ball low and let his fielders do the work.

The way Dowdy was pitching, he only needed the two runs South gave him in the third inning. Tom Newton reached on an error and scored on John Linhart's single. Linhart scored on a single by Randy Thurman.

Normal's pitcher, Bill Kauff, also pitched a three-hitter in a losing effort. South first baseman Roger Knobloch had the only other hit off Kauff.

South had three errors for the game, but the Warriors were able to work around them.

SOUTH 6

NILES WEST 4

The Warriors came back to the tournament Saturday ready to hit, and hit they did. South put together 10 hits and took advantage of the Indians' errors to win its second straight game.

A strong wind was coming from the north, and South used the southerly wind for big hits. For instance, Linhart hit a 360-foot home run over the right field fence for South's first.

South scored two more runs in the fourth. Tom Stegmeier had a single and scored on Newton's triple to left center field. Phil Dudak drove in Newton with a single.

The Indians tied the game in the bottom of the fifth with back-to-back

singles by John Marshall and David Shane, a double by Ramsey Rodgers and a single by Mike Frank.

The Warriors came back in the sixth with three more runs to put the game out of reach. Dudak led off with a triple and Linhart walked. Dudak scored on a wild pitch, and Linhart was able to go to third on the mistake. After Randy Thurman walked, the Warriors executed the double steal successfully and Linhart scored. Thurman scored on an error.

The Indians added a run in the seventh, but nothing more came out of the rally.

Mark Vanyo, who took over for starter Jim Griffin in the fifth inning, was the winning pitcher for South. The Warriors gave up seven hits in the game.

Linhart was 3-for-3 and Dudak was 3-for-5 for the Warriors.

NORTH 4

NORMAL U. 1

Terry Rujawitz was the main spark in the Steelers' offense in this one-sided game with the Pioneers. Rujawitz had three RBIs with a single, double and triple.

Rujawitz's triple in the first inning scored Sheik. Rujawitz scored on Hessler's single.

Rujawitz then had an RBI single in the third inning to score Trittschuh, who had driven in Sheik with a double earlier that inning.

His third RBI came in the third on a double which also scored Trittschuh.

The Steelers also scored in the fourth inning. Brian Levin reached on an error. Patterson hit a single, and Nolan drove home Levin with a sacrifice fly.

The most surprising injury for the Steelers was the sixth when Stegmeier put in the reserves to bat.

Sergio Cortez and Sam Tate led off the inning with singles. Cortez was put out at third on a fielder's choice by Jim Moad, but Tate and Moad scored on Jerry Booker's triple to center field. Incidentally, Booker took Rujawitz's place in the line-up.

Brian Levin started his first game, and pitched for three innings. His brother Greg pitched the next three innings, and Dan Whitsell pitched the final inning for the Steelers.

Venice hurlers, softballers lose delayed openers

By STEVE WHITWORTH of the Press-Record

VENICE — The Vikings of St. Paul High School spoiled the return of the Venice Red Devils to the baseball diamond Thursday. Venice lost the first baseball game they have played since 1980 when the Vikings jumped on them for a 14-2 victory.

"We made a lot of beginner's errors," said Coach Chuck Mosby of Venice. "After all, it was the first time that John Berry, our pitcher, had even pitched out of a mound."

The Vikings exploited Berry's inexperience as they ran wild on the basepaths. The Red Devils were also played by too many throws to the wrong base.

St. Paul got two RBIs from left fielder Kurt Wildhaber and one apiece from catcher Jeff Schulte, pitcher Brady Kesner, designated hitter Mark Pacatte and first baseman Steve Todt. The rest of their runs came across on

Red Devil misuses or steals of home. Kesner held the Red Devils to five hits. He struck out nine and walked just three in going the distance.

"He's just a freshman, but he's the ace of our staff," said Coach Jerry Devany of Kesner.

Devany is a graduate of Venice, himself, and played on their undefeated baseball team in 1966. "I'm just glad to see them playing ball again," he said.

"This is the first time since 1966 that Venice had a few bright spots. Shortstop Mike Hogan doubled and singled and provided the Red Devils with some nice plays in the field. He also had the honor of scoring Venice's first run since the program was reinstated."

Catcher Dean Johnson drove in three runs with one of his two hits. The big backstop also gave Venice some badly needed leadership in the field.

Mendoza downs Quincy; semi-finals Saturday

QUINCY — Granite City's entry in the 1983 McGuire State Cup competition, MHC Mendoza, earned a berth into the semi-finals this Saturday, April 30, with a 3-1 victory over Quincy Sunday afternoon in Quincy.

"I'm really happy with the way they played," said Coach Mendoza, coach of the under 19 year-old group. "They played very well," said the jubilant coach.

The victory enables the group of 16 boys to compete in the semi-final match Saturday against the Kickers (white) at Sangamon State College in Springfield.

The Kickers, a Chicago area team, earned a berth into the semis by downing Schwan 5-0 in quarterfinal action. This Saturday's semi-final action begins at noon.

The following day, Sunday, May 1, the two semi-final winners will meet for the Illinois championship at 10 a.m. at the college.

Co-winners from this weekend's action include the Alton Optimists and the Kickers (red). Alton downed Arlington Heights 7-2 and the Kickers won 4-1 over the Semis by downing Schwan 5-0 in quarterfinal action.

This Saturday's semi-final action begins at noon.

The following day, Sunday, May 1, the two semi-final winners will meet for the Illinois championship at 10 a.m. at the college.

Steelers second, Warriors fourth in GEC Relays

By STEVE WHITWORTH

EDWARDSVILLE — Host team Edwardsville won both the boys' and girls' divisions of the Gateway East Conference Relays Friday on the campus of Southern Illinois University at Edwardsville.

Granite City North was the runner-up in both divisions; Granite City South finished fourth in the boys' competition and third among the girls.

The boys' standings were followed by Edwardsville's 67 points; North followed with 47; Cahokia was third with 43; South took fourth with 37 points and Belleville Albion finished last with 14.

Edwardsville's girls came out on top with 46 points; North claimed second place with 28; South was third with 24 and Albion brought up the rear with 10. Cahokia did not have a girls' team competing.

The Steelers had first-place performances in two events from the boys' varsity squad. The shotput relay team ran with a combined distance of 136-1/2 and the same group took first in the discus with 242-2/5. Paul Balfew, John

Morris and Andy McPhearson made up the squad in both events.

"The shotput team won on McPhearson's last put," said Coach Harry Lang of the Steelers. "He threw it five feet farther than his previous best. When they do better than they ever have before, that's what you're after."

The North team garnered a good many second-place finishes. Ken Kalka, Darren Bernaia, Doug Limbaugh and Jim Robertson combined for a time of 8:56.2 in the 3200-meter relay, good for second.

Another second came in the 800-meter relay when Allen Pregel, John Kindie, David Long and David Tatum turned in a time of 1:36.3. Kalka, Bernaia, Tatum and Robertson also finished second in the distance medley with 11:29.32.

Long, Pregel and Scott Cant teamed up to take second in both the long jump and the triple jump. Their total in the long jump was 54-5/8, while they accounted for 119.7 in the triple jump.

The Steelers pole vaulters also took second with a total of 30-6. Jon Dobler,

Rich Moore and Kevin Lilley comprised the squad.

North also took third place in several events. Pregel, Kindie, Long and Tatum turned in a time of 34:45. Grillon, David McCormick, Chris Lilley and Vince Heuer, all freshmen, took third in the high hurdle shuttle with a time of 1:25.2. Cant, Dobler and Tatum carried the Steelers to another third-place showing in the high jump.

Lang called the boys' showing "our best quality performance of the year."

The girls also won a couple of events. The 400-meter relay team, Carla Graham, Emily McWhorter, Donna Broyles and Rachel Coleman ran with a time of 3:56. Broyles and Coleman also teamed up with Paula Rozyczki and Tracy Rose to win the 1600-meter relay in 4:21.7.

The Steelers took second in the 400-meter shuttle when Rose, Rozyczki, Barb Harvey and Tracey Cottrell ran a 1:12.2. Rose, Rozyczki, Broyles and Coleman ran the 800-meter relay in 1:52.47, good enough for another second place. Lang called that performance "an excellent time."

Michelle Poyner, Harvey and Rozyczki combined for a second-place time of 1:51.3 in the low hurdle relay.

Poyner, JoAnn Hammond and Angie Novosel teamed up to finish second in the long jump with a total of 39.3. The Steelers also placed second in the discus relay when Debbie Brandt, Sandra Brown and Patricia Scaturro combined for 233-10.

North took third three places. Cottrell, Graham, McWhorter and Amy Votupral ran the sprint medley in 2:05.32. Novosel, Kim Smith, Faye Patton and Dawn Young finished third in the 3200-meter relay with a time of 11:31.2 and Poyner, Broyles and Rose gave the Steelers a third in the high jump with a total of 13-2.

"It was far and away the best performance of the year for our girls," said Lang. "They had an excellent week of practice and it showed on the track Friday."

"On paper, we should have finished third in both the girls' and the boys' divisions," Lang added. "But, we were very pleased to get second on both levels."

Granite City South won two of the field events in the boys' competition. The Warriors took first place in the high jump when Paul Smith and John Adams both jumped six feet and Ethan Ellsworth jumped 5-1.

"We might have broken the record if we had a little more daylight," said David McClain, coach of the Warriors. Paul Whitworth led the Warrior pole

vaulters to another first place with a jump of 13 feet. Craig Cavins and Curtis York also vaulted for South.

"Our distance runners are young," said McClain. "But, our mile relay team ran well." The squad, comprised of Ed Cowley, Todd Isom, Jeff Hoes and Bill Smith took third place with a time of 3:38. It was their best time of the season.

The South girls were particularly successful in the distance medley. Michelle Shoemaker, Mary Romine, Trish Skinner and Lora Wiser took first in the event and eclipsed the old record by almost a minute. Girls' coach Gary Morgan said, "They were phenomenal."

SPORTS OF ALL SORTS

Reminiscing the Derby

By AL BARNES

for the Press-Record

It's that time of the year when the average sports fan, who normally spends most of his time and attention on other athletic contests, turns his mind to horse racing.

More specifically, to the Kentucky Derby, the one horse race in America that most of us, whether or not we are "in" the sport of horse racing, turn our attention to the bang-tails.

The annual "Run for the Roses," the Kentucky Derby, is held the first Saturday in May at hallowed Churchill Downs on the outskirts of Louisville, Ky. This year, it'll be May 7.

I had just turned 17, April 26, 1928. I was a student at one of Louisville's big, strictly boys' high schools, DuPont Manual High. DuPont's big, and bitter, rival, was Male High, located about three blocks down the street car line. Both had student bodies of more than 5,000 boys. DuPont was one of five high

schools I attended while working my way through prep school.

But, I digress. I was talking about the Kentucky Derby and the special place it holds in the sports hearts of most citizens of this beautiful land of ours.

For at least four weeks prior to the Derby, all of Louisville is caught up in a frenzy of anticipation more acute, really, than the average kid's looking forward to the coming of old Santa Claus. And, as the day draws closer, there is simply nothing else.

Much to my dismay then, because I was in the first Derby, the intermediate amateur baseball team I played on had won the right to play a rival in game at the old Kentucky Colonels' ballpark. The park is close by Churchill Downs. The game was scheduled for 1 p.m.

The ballgame, of course, would knock me out of a chance to attend the Derby. I

was glad, of course, that my baseball team was in the honor game, but to miss the Derby, which had dominated the pages of the Courier-Journal and Times for six or seven weeks, was a bummer.

But, fortunately for me and about seven thousand other young baseball players, the rain, as it does on most Derby Days, came pelting down and soaking us all and freed us to head toward Churchill Downs.

Almost like wild fire, the suggestion that we all sneak into the race track spread from mouth to mouth. So, on most Derby Days, some Derby Day program, I, along with almost all the other boys, crashed the back gates of the home stables and ran wildly across the infield toward the grandstand.

The Courier-Journal, in its next day (Sunday) sports edition, carried a full-page photo of the mounted police attempting to stop the rush of us boys. It was like

something in Russia during the Cossack Days.

Of course, they could not stop us.

Then came the running of the feature race, the Kentucky Derby. It's been a long, long time ago, but I can still remember the tingling of my skin as the bugles played "My Old Kentucky Home."

And, most vividly even now, I can still see beautiful Reigh Court, without a dab of mud on him, heading for the finish line... over a sea of distance in the second game, splattered so badly with mud that the horses' numbers couldn't be read, was the rest of the field.

It was a high spot in my life concerned, as it were, with sports and the recording of them.

I shall never forget it.

Warrior netmen edge Steelers in 4-3 slugfest

GRANITE CITY — Granite City South's tennis team won two of three doubles matches Thursday against sister school Granite City North to pick up its fifth win of the season. The 4-3 victory improves the Warrior record to 5-2 on the season.

Uncharacteristically of high school tennis matchups, Thursday's winner was not decided with either first singles or doubles. Instead, the match was decided in the second doubles match in which South's Charlie Miles and Don Kallmayer won a two-set, 6-4, 7-5, victory over North's Jesse Byrd and Tony Watson.

In the first and second singles matches, South jumped out to an early 2-0 lead. But the Warrior lead didn't last for long as the Steelers picked up the remaining two singles matches to even the tally at two apiece.

In first singles, South's John Menendez won a two set match over North's David Lipe. Menendez defeated his Steel opponent 6-2, 6-3.

In second singles, South's Matt Sheridan permitted North's Keith Glasgow to win just a pair of victories—one in each set—as the junior Warrior coasted to a 6-1, 6-1, two-set victory.

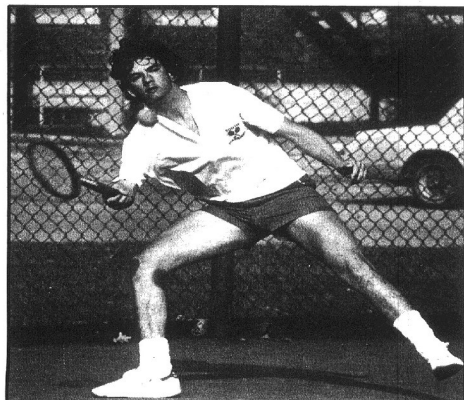

Not nearly as decisively as South had won the first and second singles match, but with the same result, the Steelers evened up the score by winning both the third and fourth singles competition. In third singles, Miles dropped a three-set decision to Byrd to lose 6-4, 3-6, 1-6.

In fourth singles, North's David Goff defeated Kevin Dickerson in straight sets 7-6, 7-5, to even the team score.

The Warriors' first doubles team of Menendez and Sheridan were favored to win following each of the singles victory. But, it wasn't all that easy for the Warriors. The Menendez-Sheridan duo managed to put South back on top, after they came back from a first set loss to eventually win the three-set match over Lipe and Glasgow 6-7, 6-3, 7-5.

In that final match, the Steelers were leading 5-4 in the third set before they dropped the final three games eventually dropping the final set.

With South leading 3-2, the Warriors secured the team victory in second

REACHING. Granite City South's first singles player John Menendez returns a shot against Granite City North's David Lipe during Thursday's tennis match at Granite City South. Menendez and the Warriors went on to win the match and the pairing. The two teams square off again this Wednesday at Wilson Park at 4 p.m.

(Press-Record Photo by Alan L. Gerstenecker)

doubles as the Miles-Kallmayer duo turned back North's Byrd-Watson team.

With South leading 4-2, the outcome of the third doubles match was academic. But that didn't seem to matter to North's Dave Warfield and Tim Black. The two diehard Steelers dropped the first set 1-6, but collected themselves and their game in the final two sets to win 6-2, 6-4.

"I'm sure John (Steel tennis coach Van Buskirk) is as proud of his team as I am of mine," said Rich Harmon, Warrior coach. "Both teams played ex-

tremely well."

Van Buskirk, although disappointed with the loss, had a similar assessment of his team's performance.

"I was disappointed. We really had a shot to win the first doubles match and the pairing," Van Buskirk said.

"We're going to be working on a few aspects of our game for Wednesday's contest," Van Buskirk said. This Wednesday, North will host South at Wilson Park when the two teams meet for the final match of the season. Action begins at 4 p.m.

After 4-1 victory over North

Maroons blank Warrior softballers

GRANITE CITY — There's a kind of psychological advantage that a team has when its last win is on the mound. The infield seems more attentive and, generally, the defense seems to play better too. And in many cases, even the offense is better. That applies to softball as well as baseball.

Friday afternoon, after downing cross-town rival Granite City North 4-1 the day before, the value of a good, experienced pitcher became more evident to the Warrior softball team.

Through five complete innings, coach Pat Yates' softball team battled a superb Belleville West squad yielding just five runs. Had it not been for a few lapses in the third inning, the score could have been just 2-0 favoring West.

Then in the following inning, the sixth inning, any hopes the Warriors had of catching their Belleville opponents were shattered when pitcher Michelle Staggs suffered a bruised thumb on her pitching hand after she tried to knock down a line drive.

Belleville exploded for seven runs on five hits in the sixth inning to take a 12-0 lead which later proved to be the winning score.

"After Michelle got hurt, we had to move people around. Consequently, we had a lot of people playing out of position," Yates said. Yates attributed Belleville's big inning to both the loss of Staggs and the unfamiliarity with positions.

"You never want to admit defeat or

all is lost during a game, but at that point things did look pretty bleak," Yates said. The Warrior coach also attributed part of Belleville's success to the its city wide feeder program.

"I not sure what kind of feeder program they have in Belleville, but its obvious that some of these girls have played fast-pitch before," she said.

The Warriors had just two hits—a single by each Theresa Seelher and Anne Puluse, while the Maroons managed 11.

The victory drops the Warrior record to 1-4 this season, while Belleville West's record improved its record to 7-1.

This afternoon the Warriors take on Gateway East Conference rival Albion at home. Action begins at 4 p.m.

Warrior thinclads fall to GEC rival Tigers

GRANITE CITY — Granite City South's track team took it on the chin at the hands of the Edwardsville Tigers Tuesday. South's boys lost the 100 meters 95-52 while the girls lost 87-39 in the two 200 yard track meets.

"They're fast," South assistant coach Gary Morgan said. "They're quicker and stronger than we are. They're a really tough team."

Although Edwardsville dominated the field events and the sprint events, the boys and the girls from South managed to make their marks here and there.

In the boys, senior Ed Cowley was a triple winner. He won the long jump with a 20-7 leap, the 400 meters in 53.8 seconds and jumped Todd Isom, Jeff Hoes and Curt Smith to win the 1600 relay in 3:39.6.

Smith also won the 300 low hurdles in 41.1 seconds, Paul Whitworth won the

Warriors

pole vault with a 10-6 leap. South's 400 relay team also won its race in 47.2 seconds.

Second place finishers include Paul Smith in the high jump (6-2), Todd Isom in the 800 meters (2:11), Cowley in the triple jump (39-11) and Craig Cavins was second in the pole vault (10-6).

Third place finishers were: Todd Scrum in the 3200 meters, John Adams in the high jump and 200 meters, D.D. Smith in the 110 high hurdles, Hoes in the 300 hurdles, and Tom Gann in the discus.

In the girls meet, Lora Wiser won the 3200 meters in 12:02-4 and the 1600

meters in 5:34.79. Trish Skinner won the 400 meters in 1:04.1. South's 1600 meter relay, Trish Skinner in the shot put (13-02), Trish Skinner in the shot put (30-11), Lynnette Williams in the 100 meters (13.4), Romine in the 800 meters (2:29) and Lisa Wiser in the 400 meters (1:07.6).

Third place finishers include Lisa Wiser in the long jump, Shoemaker in the 400 meters, Stacy DeWitt in the 100 meters.

Both South and Granite City North will be in the Gateway East Conference Relays Friday at Southern Illinois University at Edwardsville. The Tigers and Cahokia are favored in the boys' meet, and Edwardsville is the favorite in the girls' meet.

Sports Briefs

Geisler and Houston run for Panthers

CHARLESTON — Granite City South's Drew Geisler and David Houston, middle distance runners for Eastern Illinois University's indoor track team, were the 5th and 6th leading scorers, respectively, during the Panthers recently completed season.

Geisler, a sophomore who finished with 30 points, had the team's second best indoor time in the 800 dash (1:57), 1000 run (2:14.6) and mile run (4:14.6) and made his greatest contribution on relay teams.

He ran a 1:57.4 lead-off leg on the two-mile relay which placed third in the prestigious Illinois Intercollegiate, and ran a 5.4 quarter as part of the mile relay which also was third in the EIU Invitational.

Houston, a junior who scored 19 points, had EIU's top 800 time in 1:55.5, and second best in the 600 dash in 1:15.2.

North's Kehoe to lead soccer instructional

Soccer for Fun in Granite City will hold an instructional camp for senior men, women and co-ed players interested in learning more about playing soccer or players wanting to improve their skills.

Bob Kehoe will be the instructor and the camp will be held Monday evenings during May 2nd.

Also Soccer for Fun will hold instructional clinics for boys' and girls 3 to 10 years old. The clinics will be held

on Saturday's starting May 7, with exact times being announced later.

Soccer for Fun is also accepting team applications for their May-June session and starting a new league for 19 and under co-ed teams. For further information call 797-0619.

Two GC men place at bass tournament

Chris Geroff and Bill Dimitroff of Granite City finished 14th in the 1983 Miller Lite Open-Buddy bass tournament March 19 at Bull Shute Lake near Ava, Mo.

The two caught 12 pounds and six ounces of bass during the tournament.

Sports clinic sponsors injury seminar

A spring workshop on Sports Medicine will be offered on Wednesday, May 11, from 8 p.m. to 9 p.m. at the Collinsville High School. The workshop will be conducted by the professional staff of the St. Louis Orthopedic Sports Medicine Clinic and will include topics on flexibility, knee injuries and ankle injuries with discussion on the evaluation and taping of such injuries.

There is no charge for the workshop which is open to coaches, students, trainers, managers, nurses, athletic trainers, physical educators, physical therapists, parents, Coaches and other allied health professionals.

Interested individuals may register in advance by calling 1-314-878-4446.

Cougars win weekend twinbill

SPRINGFIELD, MO. — The last time the Southwest Missouri State University baseball team lost a doubleheader at its home field was 10 years ago against Southern Illinois University at Edwardsville. The Cougars gave a repeat performance Sunday, beating the Bears 10-8 and 8-3.

Granite Cityan Tom Greco, who plays first base for the Cougars, gave SIUE the lead in the first inning of

the second game with a three-run homer.

The Bears tied the game, but the Cougars had a five-run rally in the seventh inning to take the game and sweep the doubleheader.

Ted Smith, who relieved Shaun Wilson in the ninth inning of the first game, started and went the distance in the second game. Kent Taylor pitched the first eight innings of the opening game before being relieved by Wilson.

The Cougars are now 20-9 and host the University of Missouri at St. Louis today at 2:30 p.m. in a single game.

REALTY HONORS are bestowed on C. Ritchey Smiley and Bernie Becherer, owners of six RE-MAX real estate offices in Madison and St. Clair counties, who were honored as the top multiple office RE-MAX brokers in North America. They have participated in the real estate industry for more than 28 years. They own offices in Granite City, Belleville, Bethalto, Collinsville, Godfrey and O'Fallon.

Sweet Adelines to host competition

The Collinsville Chapter will be hosting the eighth annual competition convention of Midwest Gateway Region Five Sweet Adelines, Inc. at the Chase-Park Plaza Hotel on April 29 and 30.

Twenty-five choruses and twenty-one quartets will be competing for first place in the Region, and the opportunity to compete at the International level.

Quartets start their competition Friday at 6:30 p.m., and the choruses will compete on Saturday, commencing at 2 p.m. The winning quartet becomes eligible to compete in International Competition in Detroit in October, and the winning chorus will compete in Las Vegas in 1984.

The Sunshine Company, members of the Collinsville Chapter, were the 1982 Regional Quartet Champions, and the Collinsville Chorus participated in Phoenix in 1981, as the

Chorus Champions of Region Five. The chorus is entered this year, in addition to hosting this event.

Tickets for either the Friday or Saturday events can be purchased for \$6 at the Khorassan Room of the Chase.

Sweet Adelines is one of the largest, world-wide women's organizations, and is composed of women who enjoy singing four-part harmony, babershop style, an American folk art.

Ill. must cut costs before tax hike, small firms say

Although Governor Thompson touts higher income taxes as a way of improving Illinois' small-business climate, small- and independent-business owners statewide reject the move as the "most objectionable and burdensome" of tax hike proposals.

That's the conclusion of the state's largest small-business group—the National Federation of Independent Business—as a result of a new survey of nearly 17,000 business owners in Illinois.

According to NFIB-Illinois spokesman Michael Donahue, the poll shows overwhelming sentiment for spending cuts instead of tax hikes: 50 percent of those polled say the state should blot its red ink by continuing

to cut back on spending. Forty-eight percent voted for a combination of less spending and more taxes. Only one percent chose raising taxes as the sole prescription.

Donahue pointed to another poll result as evidence that independent-business people want a re-evaluation of state priorities before legislators consider raising taxes.

Fifty-seven percent said legislators should aim the budget-cutting ax at general government spending. Regulatory agencies (cited by 16 percent) and health and welfare programs (listed by 14 percent) were next in line for major cuts.

Donahue quoted a member in Rock Island as represent-

tative of the views of most members: "Eliminate all expenses that aren't vital, and reduce the number of employees in each department."

In other poll results, small-business people demand changes in two areas they see as unfairly restricting corporate officers.

They are up in arms about the high cost of getting their "day in court," and they're pushing to give Illinois corporations an opportunity to represent themselves in small-claims court.

Eighty-three percent of members polled want to use the courts, as a valuable tool in resolving minor civil disputes, but without the cost of hiring an attorney. Help may be on the way: State

Rep. John O'Connell has introduced a bill granting corporate officers the same due process granted to individuals.

Independent-business owners also favor a measure giving corporate officers the option of choosing job-injury insurance.

Sixty-nine percent of those responding urge the state to drop its mandatory workers' compensation requirement for those already covered by adequate health and disability insurance.

Donahue said many executives, even in smaller corporations, rarely do the kinds of hazardous work that results in claims. When they are injured, most are protected by other kinds of coverage, he added.

'Warrior' yearbook earns press honors

Yearbook advisers and editors from 12 high schools were honored during the annual spring meeting of the Southern Illinois School Press Association (SISPA) at Southern Illinois University-Carbondale.

The school yearbook editors and advisers received SISPA's 1983 Golden Dozen Awards on the strength of their 1982 yearbooks.

The yearbooks were evaluated by SISPA judge Dan Niles, publications adviser for Marion (Ind.) High School.

Winners of the Golden Dozen Awards include Granite City High School's "Warrior." Todd

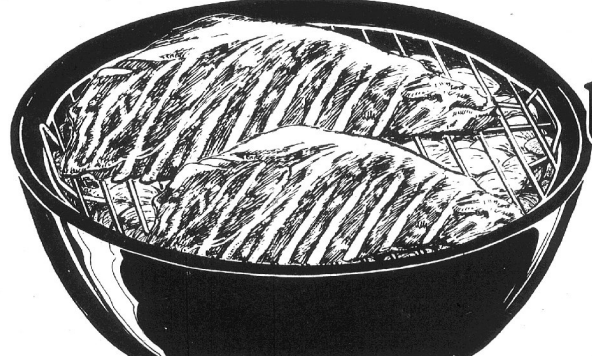

Goodrich is the editor and Dee Mana Spudich is the adviser.

Others are Belleville Township High School West's "Bellevinois," Cairo High School's "Egypti '82," Cape Girardeau Notre Dame High School's "Silhouette," Carmi Community High School's "1982 Carmian," Carterville High School's "Lionie," Centralia High School's "sphinx," Columbia High School's "Columbian," Bond County (Greenville) High School's "Graduate," Herrin High School's "Herrinite," Mount Carmel High School's "Sylvine," and Sparta High School's "Bulldog."

Poplar St. Bridge repairs increase McKinley traffic

By VALERIE EVENDEN

Lengthy traffic backups for commuters using the Poplar Street Bridge (Interstate 70-55) leading from Illinois into downtown St. Louis, created by the closing of several lanes for repairs, apparently are resulting in increased revenue for McKinley Bridge, owned by the city of Venice.

Second Ward Alderman George Mangiaracino raised the question of changes in traffic flow over the local bridge at last week's meeting of the Venice City Council.

Although official figures have not yet been tabulated for the current month, Bridge Manager Tom Fields said it appears a daily increase of 2,000 vehicles utilized the McKinley Bridge since the Poplar Street Bridge repairs started at the beginning of the month.

A 30-cent fee is charged for each one-way trip across the McKinley Toll Bridge.

The massive resurfacing project on the free Poplar Street Bridge is expected to continue through September.

During the work, traffic that usually flows on four 12-foot lanes in each direction is restricted to two 10½-foot lanes so workers can strip and replace the deteriorating surface of the 15-year-old bridge.

A report on McKinley Bridge traffic in March showed a total of 391,652 vehicles used the bridge last month.

The average daily use by 11,666 vehicles is an increase of 122 vehicles per day as compared to March 1982, Fields stated.

In a second report, prepared by Venice Police Chief Farris Smith, the

alderman learned a check for \$1,800 has been received from Circuit Court Clerk Willard Portell for fines collected during March.

A total of 29 adults and 14 juveniles were arrested on charges last month in Venice, Chief Smith said. Included among the adult charges were four warrants; 16 each city and state traffic violations; one contempt citation; two city ordinance violations; one state ordinance violation; and one arrest for another police department. There were no felony arrests.

Among the juvenile arrests, eight were taken into custody for investigation of theft and were released with a station house adjustment; two were released to parents after being charged with trespassing on the railroad; and four were arrested in a pending burglary investigation and released.

Mayor Tyrone Echols announced a rabies clinic is scheduled from 12:30 p.m. until 2:30 p.m. Saturday, April 30. Residents wishing to have pets inoculated are being asked to bring the animals to the Venice City Garage during the two-hour period.

The council granted approval to a request from the Silver Hills Senior Citizens for use of a chartered bus to attend Senior Citizen's Day baseball games at Busch Stadium, St. Louis.

Special trips to the Cardinals' home games are planned April 27, May 14 and 18, June 16 and 30, July 27 and Aug. 7.

Mayor Echols inquired if the council wished to consider making a decision on ambulance service during

the meeting, noting he was advised that Campbell Ambulance Service, which currently serves the community, is unable to station an ambulance in Venice on a fulltime basis.

The question arose during a recent meeting with Madison Mayor Mike Sasyk and Fire Chief Mike Macek. At the briefing, the Madison officials offered to provide Venice residents with ambulance service.

First Ward Alderman John Fleig recommended that a decision be delayed until a proposed agreement with the City of Madison could be rewritten in proper form, with Venice's responsibility for payment of backup service being included.

"I know they (Madison) said that we shouldn't worry about this, but I think we need it in there in black and white," Fleig commented.

SIUE offers courses on effective management

The Center for Management Studies in the School of Business at Southern Illinois University at Edwardsville will offer a course in effective communications for people in management positions who wish to improve on-the-job performance.

The course, "Effective Communications," deals with improving and increasing the foreman or supervisor's skills in all communications, with emphasis on practice. Coursework will take a look at the responsibilities of the foreman or supervisor in relation to many situations where communication is a crucial factor.

Registration for the course is \$110. Classes are scheduled during the evening hours, meeting on Tuesdays from 6:30 until 9:30 p.m. in Room 335 of Classroom Building III. The class meets once a week for six weeks, beginning April 26.

Other courses dealing with supervisory management will be offered during the upcoming months, including

work methods analysis, employee coaching, report writing, work flow and scheduling, team building, establishing objectives and cost controls and issues in productivity, motivation and supervision.

Participants who satisfactorily complete eight selected courses may earn the supervisory management certificate.

Additional information concerning the supervisory management program or other programs in management, may be obtained by contacting James F. Miller Jr. at the SIUE Center for Management Studies by calling 1-692-2668.

STEAL WHEELS

Two tires and wheels were stolen from the auto of Joe Denapp, 2904 Boston Place, parked in the 2000 block of Illinois Avenue. A taillight was broken and an attempt had been made to remove the outside mirror, he said.

PRESS-RECORD
ASSETS RESULTS

FINGERPRINTS. Tiona Watts, a second grade student at Harris Elementary School in Madison, has her fingerprints taken by Patrolman Gary Marsala of the Madison Police Department. The department and the Madison School District sponsored the fingerprinting to provide identification for children who some day may be missing children. According to Sgt. Paul Bargiel of the police department, 90 percent of the students at that school have cooperated.

Free Early Pregnancy, Prepared Childbirth classes are offered

The Obstetrics Department at St. Elizabeth Medical Center is again offering Free Early Pregnancy and Prepared Childbirth classes.

Early pregnancy classes are for women less than six months pregnant. These classes are held for three consecutive weeks and offer instruction in nutrition, exercise and breast conditioning. Women also learn how their bodies change during pregnancy and how the fetus develops.

Prepared childbirth classes are for women from their sixth month of pregnancy until delivery. This five-week series of classes includes the Lamaze method of breathing and relaxation, body conditioning, breast-feeding information and an introduction to baby care. Participants learn about the process of labor and delivery and the type of analgesics used in labor. A tour of the Obstetrics Department also is provided.

Early pregnancy classes begin Thursday, May 26.

TWO BURGLARS FLEE
Two burglars about 15 years old fled from the home of Blanche Young, 2110 Fourteenth St., when she returned to it last week. Her wallet was found discarded in the backyard.

Prepared childbirth classes begin today for the Monday night series; and Tuesday for the Tuesday night series. The next series of prepared childbirth classes will be offered beginning June 13. All classes are from 6:30 p.m. to 8:30 p.m. at McKinley School.

Expectant mothers interested in these classes may register by calling the Obstetrics Department at SEMC at 796-3040.

Gabriel Shrine honors officers

Junior past officers of Gabriel Shrine 78, Order of the White Shrine of Jerusalem, were accorded special honors at a weekend meeting at the Masonic Temple.

Worthy High Priestess Ruth J. Cox and Watchman of Shepherds Lloyd Lewis presided at the session and introduced Chloe Simpson, junior past worthy high priestess. She was escorted to the east and seated there for the remainder of the meeting.

Ralph Baker, junior past watchman of shepherds, was unable to attend, it was announced.

Supreme committee members introduced and escorted were, Betty Henry, Clayton Henry and June Allery, all of Calvary Shrine, Nadine Brown, Pride of the West, Eileen Little, Gaspar, Edna Harris, Evelyn

Schlosser and John Schlosser, all of Cedar Shrine, Mary Ann DeLart, Dorothy Edwards and Jerry Pragacz, of the host chapter. Others introduced included, Worthy High Priestess Pat Brenken and Watchman of Shepherds Marv Brenken of Gaspar Shrine, and past officers, Rose Van Gels and Al Van Gels, Pride of the West, Gussie McKissick, Delbert McKissick, Hulda Griffith and Mary Ellen Lewis, all of Gabriel Shrine.

During the meeting, an installation ceremony was conducted for Dorothy Edwards who will serve as watchman of shepherds.

The watchman of shepherds announced the Supreme Shrine would convene next month in Tena, Nev. Several local members plan to attend, it was noted.

The charter was draped in memory of the late Ruth H. Reynolds and the late Mary A. Rawlings.

Honors were accorded to John and Mary Ann DeLart who celebrated their 49th wedding anniversary on April 14.

Mothers will be guests of honor at the May 12 meeting according to Mrs. Cox.

After the meeting, refreshments were served in the dining room which was decorated in an April Showers motif. Centerpieces were created with jewelry, tulips and small umbrellas serving as favors.

Assisting in the dining room were Bonnie and Jerry Fisher, Mary Ellen Lewis and Susan Thompson.

Monthly potluck at Anchorage

The monthly potluck dinner for members of Anchorage Senior Citizens Club was served Thursday to 65 members and guests in the Recreation Hall of the housing project.

President Augusta Lampe opened the meeting and Mary Ahlvers gave the prayer. All repeated the pledge to the flag.

Guests included David Morgan, Rose Stevenson Harrison, R.N. and B.S.N. administrator and Sarah Denney, R.N., the latter two are from Vaughn Professional Health Care, Inc.

They spoke to the members on health and care and told how one can secure help when ill and alone.

During the meeting money for the trip to the Black Madonna on June 16 was collected and the birthday flower was presented to Betty McDowell.

The remainder of the afternoon was spent in playing games and prize winners were announced.

Several local members plan to attend, it was noted.

FIVE GENERATIONS are pictured, from the left, Mrs. John (Cindy) Horobec of Dallas, Texas, holding 2-month-old Kelly Nicholas Horobec, Mrs. Frank (Sara) Dutko of Madison, Mrs. Walter (Pearl) Kester of Granite City and Mrs. Tessie Sprinkle of Springfield.

Open house begins today at Little Lamb Preschool

Little Lamb Preschool, 3715 Wabash Ave., will begin a three-day open house event for anyone interested in preschool activities. The school is located in the basement of Hope Lutheran Church.

The open house will begin at 7 this evening and continue at the same time Tuesday and Wednesday evenings.

This year the event will include a short program presented by the preschool students.

Little Lamb will hold its annual registration for the

1983-84 fall session from 9:30 to 11:30 a.m. on May 9 to 12 at the church.

A \$5 registration fee will be required. Tuition for the fall term will be \$22 a month for any child who attends twice weekly or \$30 a month for those attending three times weekly.

To be eligible, a child must be either three or four by Dec. 31 to attend either the three or four-year-old classes, according to Sarah Repp, director.

Little Lamb Preschool also admits students of any race, religion or ethnic origin.

Bridal shower for Miss Leeper

Miss Becky Ann Leeper was guest of honor at a bridal shower given by her

birdmaiden, last week at the Granite City Township Hall.

The daughter of Mr. and Mrs. Warren Leeper, she will marry Christopher Andrew Rapoff, son of Jordan Rapoff and Mrs. Ruth Rapoff, on May 28, at St. Elizabeth Catholic Church.

Tables were decorated with rainbow color streamers and each place setting featured a multi-color heart shaped box filled with mints. A large wedding bell and variegated streamers adorned the gift table. A buffet luncheon was served to the guests and prizes awarded after the honors opened her gifts.

Hostesses included Mrs. Cathy Renack, sister of the bride-elect, Mrs. Sharon Holt, an aunt, Miss Beth Goellinger, Mrs. Rosalie Feigh and Miss Barb Miller.

Special guests were Mrs. Evelyn Leeper and Mrs. Ruth Rapoff, mothers of the bride couple, Mrs. Caroline Leeper, Mrs. Mildred Nicholson and Mrs. H. C. Stuart, grandmothers of the couple.

Happy Group enrolls one

Mrs. Dorothy Shuppert was enrolled as a new member of the Happy Group Senior Citizen Club, during the April meeting of the group.

Forty-four members and a guest, June Fritz, gathered for the dinner at 1:30 in the afternoon at the Granite City Township Hall.

Prize winners in the afternoon games were Mrs. Fritz, Filomena Gruber, Martin Schulte, Jo Wilkins, Lucille Hudgens, Theresa Barklak, Earl Marti, Ruby Corbitt, Katie Colligan and Cleveland Cox.

The May 5 meeting will be at the township hall, according to the president.

The April social meeting of Eta Chapter, Pi Tau Omega Sorority, was held at Ginger Creek Inn in Edwardsville.

Hosted by Mary Lou Richeson, Ann Tatum, Mary Evelyn Yenchow, and Martha Ruth Thomas.

After the dinner hour, Mrs. Jan Greathouse was initiated into the chapter in a ceremony conducted by the chapter president, Miss Kathryn Weddell.

Prizes for the evening were awarded to Mary Hassler, Eunice Hatscher, Georgiana Van Buskirk, Millie Greathouse, Dorothy Costello, Mrs. Greathouse and Mrs. Yenchow. Also present were, Mrs. Lois Dodge, Betty Krug, Shirley Morgan, Deborah Wilson and Hilda Schroeder.

The student chapter of the National Art Education Association at Southern Illinois University at Carbondale is sponsoring a Children's Art Sale, Wednesday through Friday.

The sale will be in Goshen Lodge at the University Center from 10 a.m. to 2 p.m. each day.

Children from the Metro-East area, ages 6 through 12, have provided the ready-to-hang paintings, collages, prints and designs for the sale. The proceeds from the sale will go toward bringing speakers and workshop leaders to the SIUE campus.

In addition to children's art, NEAE members will have original design buttons for sale. NEAE is an organization for students who are pursuing careers in the teaching of art in the educational and institutional fields.

For more information, interested persons may contact Joe Weber in the art and design department at 1-682-3071.

FREE CHILDHOOD SCREENING IN GC

Parents who live in Granite City and have a preschool child who is 3, 4 or 5 years old and not going to kindergarten this fall may want to call and make an appointment for the Granite City Early Childhood Screening, which is being held the first week of May. The number to call for this free service is 876-4900.

Parents can find out if their child is developing the skills he or she needs for later school success. Registration deadline is Friday, April 29.

Those excelling in the games and winning prizes were Mesdames Evelyn Thompson, Millie Sherman, Elsie Byrd, and Mrs. Wood. Others present were Mesdames Mercedes Grim, Emma Elmore, Tola Limberg, Lola Torrence, Louise Kovar, Myrtle Poole, and a guest, Mary Handfield. Mrs. Grim will entertain the group for its May session, it was noted.

CARAMEL CORN DAYS. Pontoon Beach Lioness club members (from left) Linda Leleniewski, chairman of the caramel corn fundraising project, and Judy Wasson, Lioness president, wear gold and purple vests that all members will wear Friday, May 6, and Saturday, May 7, for the third annual Caramel Corn Day, when funds are raised to aid the blind, visually handicapped, deaf and hearing impaired. The caramel corn will be given away at various banks and stores throughout the Quad-City area in exchange for donations. The program is a statewide project of the Lioness Clubs of Illinois.

Renovation of homes highlight of tour

By DONNA KIMBRO of the Press-Record

Two of the houses included on the Spring House Tour, sponsored by the Downtown Neighborhood Restoration Society, show a contrast of extensive renovation work to restore an older home and one that has been well kept through the years.

The home of William Leukiewicz and John Hutton Jr., at 2140 Cleveland Blvd., was built by Dr. Lynch in 1906 and has had a series of owners since that time. Beautiful woodwork, high ceilings, winding staircase and a large entry hall are among the features that attracted the present owners.

A major project to restore the house to its original attractive atmosphere was started with the addition of new plumbing, wiring, furnace kitchen, sliding, porch, fireplace and replacement windows and walls, as well as the chandeliers.

The home of Robert Steele, 2123 Cleveland Blvd., is in direct contrast in as much as the structure has been well preserved since its construction in 1902. Built by Mr. Draper the dwelling has remained in the Draper family until its present owner purchased the house in 1982.

Special interest is noted in the hand-carved staircase and woodwork, in original condition, the millwork in the doorways and the hardwood floors with inlay.

In the dining room, the old cabinet built into the wall exemplifies the expertise of Mr. Draper to create and work with wood.

Those excelling in the games and winning prizes were Mesdames Evelyn Thompson, Millie Sherman, Elsie Byrd, and Mrs. Wood. Others present were Mesdames Mercedes Grim, Emma Elmore, Tola Limberg, Lola Torrence, Louise Kovar, Myrtle Poole, and a guest, Mary Handfield. Mrs. Grim will entertain the group for its May session, it was noted.

Reeder-Schaefer

Mr. and Mrs. Leroy Schaefer, Rural Route One, Box 1465, Granite City, are announcing the engagement of their daughter, Miss Leona Kim Schaefer to Kevin Lane Reeder, of Granite City.

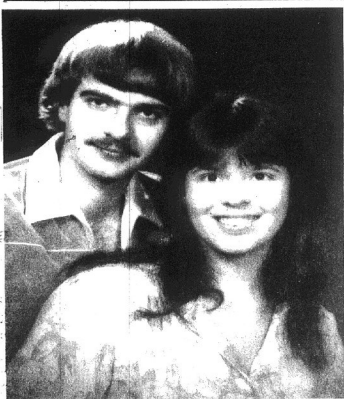

Parents of the groom-elect, Mr. and Mrs. Loren Reeder, reside in Cahokia.

Miss Schaefer is a Granite City High School North graduate and is employed as a part-time sales clerk at

Sears, Roebuck & Co. in Fairview Heights and the Dairy Queen.

Her fiancé was graduated from Cahokia High School and is enrolled at Southern Illinois University at Edwardsville. He also works at Sears, Roebuck & Co. in Fairview Heights.

The engaged couple plans to be married on May 14 at St. John United Church of Christ.

Gregory Kinder and Barbara Veizer

Kinder-Veizer

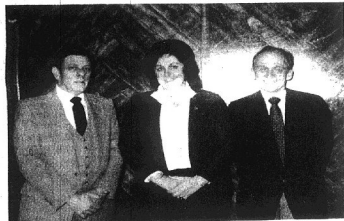

The engagement and forthcoming marriage of Miss Barbara Lynn Veizer and Gregory Edmund Kinder are being announced by the bride-elect's parents, Mr. and Mrs. Ronald Veizer of Granite City.

Miss Veizer is a 1979 graduate of Granite City High School South and is presently employed by Dun & Bradstreet, Inc., Greve

Coeur, Mo.

The son of Mr. and Mrs. Edmund Kinder of Golden Eagle, Ill., the prospective groom is a 1978 graduate of Brussels Community High School in Brussels, Ill.

Plans are being completed, by the engaged couple, for a May 14 wedding to be solemnized at St. Margaret Mary Catholic Church.

GUESTS, attending the meeting of the Tri-Cities Chapter of Professional Secretaries International, held at Ervay's Restaurant. From left, Larry Miller, executive director of the Tri-City Area United Way, Mrs. Jeannette Scannell, office manager of the Tri-Cities Area Chamber of Commerce, and Ray Kaegel, owner of Kaegel Real Estate and Insurance Agency. Both men served as panel members for the evening program.

Bosses' Panel is meeting program

The program for the April meeting of the Tri-Cities Chapter of Professional Secretaries International, was a bosses' panel featuring Larry Miller, executive director of the Tri-City Area United Way and Ray Kaegel, owner of Kaegel Real Estate and Insurance Agency, Inc.

A discussion, including members of the chapter and the guest speakers, related to ways to solve various situations that arise in the business office.

Plans for Secretaries Week, which is this week, will begin Wednesday, April 27, as "secretaries day." A dinner to celebrate to event will be held on Thursday at the Community Club at the Granite City Army Installation with entertainment by the AARP Kitchen Band.

Ballots were distributed during the meeting for the election of the "Boss of the Year" award and the winner will be announced at the executive night dinner, the president noted. Also to be selected and honored will be the "secretary of the year."

Other future plans included a rummage sale on May 7 as the chapter spring ways and means project, an attending the Illinois Division meeting set for the weekend of May 13 in Peoria, Ill.

Mrs. Jeannette Scannell, office manager of the Tri-Cities Area Chamber of

Commerce, was introduced as guest for the night.

Any local secretary interested in becoming a member or attending a meeting is advised to contact Barbara Bauer at 344-4267 or 345-5413.

Kevin Reeder and Leona Schaefer

Chapter holds Green Cap Day

Chapter 247 of the Women of the Moose, held Green Cap Day observance at the Moose Lodge, last week.

Senior Regent Sylvia Woods opened the meeting and introduced Green Cap Girl who is Junior Graduate Regent Theola Garcia. She also is chairman of the ways and means committee.

Mrs. Garcia then presented members of her committee and they donated two checks to be sent to Mooseheart for the care of children living there.

Guest officers for the night were, Jean Teller, recorder, Mrs. Garcia, senior regent, Carolyn Anders, chaplain, Della Gallup of the Alton chapter, junior graduate regent, Pat Macke, treasurer, Sara Gusewell, guide, Marylou Wilkinson, assistant guide, Mille Votupal, star recorder, Mary Murgic, College of Regents, Alice Skaggs, friendship.

Those from the Alton Chapter who were guests for the event included Linda Rainey, Betty Sell and Carrie Hayes.

After the meeting a luncheon was served at tables decorated in a Green Cap motif. The evening prize went to Mrs. Garcia.

Plans are being finalized for members to attend the state convention on May 5 to the 8th, at the Holiday Inn in Decatur, Ill. The next chapter session is set for April 27.

Opti-Mrs. fete Mrs. Konzen

Mrs. Pat Konzen was accorded honors in observance of her birthday, by members of the Noon-Day Opti-Mrs. Club at a luncheon meeting held at Charlie's Restaurant.

Hostesses for the day were Mesdames Tomea Kirchoff, Muriel Veihl and Marge O'Neill.

After Mrs. Kirchoff gave the invocation luncheon was served to 18 members.

Mrs. Ruth Sternberg, president, called the meeting to order and Mrs. Catherine Michel led the Opti-Mrs. Creed Committee reports were given and the president welcomed Mrs. Lorain Hanft, who was hospitalized and Mrs. Elsie Branding.

During the social hour card games were played and prizes were awarded to Mesdames Dorothy McCauley, Ann Little, Helen Todd, Georgia Engleke and Edna Bickel. Others attending were Mesdames Louise Anderson, Mildred Branding, Jane Glese, Virginia John, Gladys Pape, and Myra Parrish.

GC residents at St. Louis show

Local residents who attended the International Beauty Spectacular, in St. Louis, last week, were Joyce Kotoff and Leesa Ragdale from Joyce's Styling Salon, and Naomi Gray of Naomi's Beauty Salon.

The three day educational event was held at the convention center. Featured artist taught classes in the new spring trend including clipper cutting, techniques in perm waving, fashion hair coloring and make-up artistry. Each one attending earned a Certificate of Merit.

AARP Chapter aids Mobile Meals project

Mrs. Anne Pare gave a review of the Mobile Meals program in the Quad-Cities, at a monthly meeting of the American Association of Retired Persons, Inc., Chapter 1340, held at the Granite City Township Hall.

She thanked the chapter for a donation they approved for the project and noted more volunteers are needed to provide hot meals for people who cannot cook their own food or get to a restaurant. At the present time the hospital, who cooks and packages the food in trays, are considering purchasing another meal van to start a second route as there are many people on the

waiting list for the meal service.

President Ruth Allen opened the meeting with the Lord's Prayer and pledge of allegiance. She welcomed 154 members and visitors including Josephine Burgener, president of Chouteau Township Senior Citizens, Caspar Burgener, second vice-president of the club, and Gladys Skubish.

Mrs. Vernice Walter and Juanita Crawley submitted reports and Mrs. Ruth Jensen spoke on the national health costs as reported in the Modern Maturity, the AARP magazine. Also, Rita Cotter read a list of sympathy and get well cards sent

during the month.

A review of the last Chamber of Commerce meeting which included information relative to the Quad-City clean-up campaign, was given by Mrs. Verna Law. Helen Bertacchi announced the hat parade would be held after the meeting and she asked all to participate in a sing-along. She also noted the May program will be the awards night followed by a dinner dance. Art Lindner said tickets for the dinner dance are now being sold.

In other business, Mike Lombardi reported Henry Brown and Richard Thalberg, have been added

to the volunteer pall bearers register.

Two new members, Alice Reiter and Inogene Alsop were introduced by Elizabeth McCoy. Evelyn Fildes said she has copies of the standing rules for distribution.

Congratulations were accorded to Oscar and Clara Ash in honor of their 47th wedding anniversary. After the session adjourned the Easter hat parade was held and those awarded prizes for the night were Irma Manning, Rosemarie Breyer, Caspar Burgener, Joe Barbieri and Lucille Allen. Music for the sing-along was provided by Ruth Evans, pianist for the Rhythm Band of the chapter.

DECISIONS, DECISIONS. Hope, Morris Greer, cannot make up her mind which man to marry, Sir Evelyn (John Rutledge) right, or Billy Crocker (Randy Dunn) on left. The scene is one in the "Anything Goes" musical comedy to be performed at Granite City High School South, this week.

SIUE East St. Louis center plans open house

The East St. Louis Center of Southern Illinois University at Edwardsville will hold an open house for community leaders, and faculty and staff of the Edwardsville campus, Thursday from 2 to 4 p.m.

"We're trying to establish better communication and present information about the East St. Louis Center so that people can be better informed about the various programs offered here," Johnetta Haley, acting director of the East St. Louis Center, said.

The East St. Louis Center, 411 E. Broadway, is the site of a dental clinic satellite of the SIUE School of Dental Medicine and one of two day care centers operated by the East St. Louis campus.

The Performing Arts Training Center (PATC) offers several dance and music courses for all ages at the East Broadway location. Unity Ensemble, a resident theatrical company, regularly stages productions at the East St. Louis Development Corporation

Community Theater, 3706 Caseyville Ave., in East St. Louis.

More than 150 high school students participate in the Center's Science Awareness Program. "We do a lot here and we're not sure everyone knows about it," Mrs. Haley said.

Faculty and staff interested in attending the open house may ride buses that will leave the Edwardsville campus at 1:30 and 2:30 p.m. to return at 4:15 p.m.

For more information about the open house program, interested persons may call the East St. Louis Center at 271-3000, extension 73 or 74.

SOCCER BREAK-IN

A burglar entered the Quad-City Soccer Association locker building, a concrete block structure on North Street near the Prather-Logan school grounds, Thursday. Missing are a \$150 paint sprayer base and two \$100 metal doors.

'Anything Goes' musical comedy at South High

"Anything Goes" is a charming musical comedy wrapped around a magical score by Cole Porter. It is shipboard romance at its best with all sorts of disguises, shenanigans, and funny situations. The main characters include Reno Sweeney, an evangelist turned night club entertainer; Moonface Martin, public enemy No. 13, who is really harmless; an English lord, Sir Evelyn Oakleigh, who turns out to be not so stuffy; a debutante, Hope Harcourt, who can't decide whom to marry; her pushy mother, Mrs. Harcourt; Bonnie, a charming gangster's girlfriend; and of course the brash young love interest, Billy Crocker.

Playing the leading roles are Randy Dunn as Billy Crocker, Melissa Pennell as Reno Sweeney, John Rutledge as Sir Evelyn, Marti Greer as Hope Harcourt, Bruce Holt as Moonface Martin, Cheryl Thomason as Bonnie, and Kathy Toussaint as Mrs. Harcourt.

Others in the cast are Tim Streicher as the captain, Sean McGovern as Mr. Whitney, Adam Schneider as the pursuer, Brian Harris as the steward and Beth Dodnam, Jody Gravelle, Debbie Rozycki, and Karen Thomason as the three angels. Passengers and sailors include John Abrams, Tracy Ball, Holly Braundmeier, Della Corbett, Ken Dauer, Lisa Douglas, Don Fisher, Patti Flanagan, Deron Griffin, Dineen Griffin, Jill Kinder, Jenny McNeilly, Evelyn Miles, Todd Miller, Tim Mizell, Kim Ramsey, Anita Rojas, Annette Rojas, Kim Sannes, Sheryl Siler, Jessie Warren, Christy White, Frank Woods, Kellye Worster, Chuck York, Keith Payne.

The play is under the direction of Beverly Scroggins of the Speech Department. Mary Ann Bright of the Vocal Music Department is the musical director and Margaret Pennell is the choreographer. The musical is accompanied by the South

CAREFULLY. Moonface Martin (Bruce Holt) and Bonnie (Cheryl Thomason) search the area before sneaking out to the deck in disguise. They are included as performers in the South High School presentation of "Anything Goes."

High Stage Band under the direction of Joseph Owens. This year, Owens will play lead trumpet and Mrs. Bright will conduct the pit band.

Tickets are available from any cast member or at the door, \$1.50 for students and \$3 for adults. Performance time is 7:30 p.m. on Thursday and 8 p.m. on Friday and Saturday.

PROMOTED IN THE U.S. ARMY

Dora L. Providence, daughter of Gilbert Culver of Granite City and Janete L. Lowe of Manchester, Mo., has been promoted in the U.S. Army to the rank of private first class.

She is a supply specialist at Fort Hood, Texas, with the Second Armored Division.

Her husband, Neise, is the son of William B. and Louise Providence of 2813 Bixton Ave.

She is a 1979 graduate of Granite City High School.

Zevallos wants kidnap charges

Dr. Hector Zevallos said last week he still thinks kidnapping charges should be filed against the three men who abducted him and his wife for eight days in August 1982. The trio has been convicted of attempting or conspiring to obstruct interstate commerce.

Operator of the Hope Clinic in Granite City, the surgeon said he will ask that Madison County officials initiate state charges because there needs to be punishment for what he considers a violent crime.

State's Attorney Don Weber plans to talk to the couple soon and said, if there is another trial, it would be necessary for the Zevalloses to testify again. The doctor said, "We hate to go through another trial but are willing to do so."

One of the men, Matthew Moore, 20, is so dangerous he should be imprisoned for as long as possible, Dr. Zevallos alleged. He acknowledged that federal kidnapping charges were impossible because no state line was crossed.

The three Texas residents committed "the most severe form of violent act" against the couple, he asserted. He quoted Matthew Moore as saying clinics were firebombed in the past and would be in the future until abortions are ended.

He said he is convinced Moore would "start up again" if released, and noted that he had seemed to be "psyching himself up" to kill the couple.

Moore and his brother, Wayne, 18, will be sentenced after U.S. Judge William L. Beatty receives the results of their psychiatric examinations. Don B. Anderson, 42, was sentenced by Beatty in February to 30 years in prison.

Dr. Zevallos said the Anderson sentence was "just" but that, if Matthew Moore gets an eight-year term, it will be inadequate.

He said he and his wife, Rosalie Jean, were never physically harmed but were kept in such terror of being killed that he had to use reality therapy to control himself.

Although he said he provides many other services than abortions, he defended legal procedures as much better than illegal abortions. He plans to continue his medical practice here and is grateful for the August outpouring of concern, flowers, telegrams, phone calls and food from Madison Countyans, some of them strangers to him.

He has accepted the problems of commuting between his work and his wife, who has moved to the South, unwilling to stay in the County Club Estates residence from which they were kidnapped.

Their "dream home" is for sale. He will obtain another home in this metropolitan area in which to stay between visits to Mrs. Zevallos.

Although she liked the proximity to golfing, the sunsets and the view of the Gateway Arch and St. Louis skyline, she is now too nervous to remain in this region but is calm elsewhere, he related.

Both retain vivid memories of being held at gunpoint.

Now 54, the doctor has resided in this county for about a quarter-century.

The abductors, calling themselves the Army of God, said they had been told by God to fight to the death in a crusade to abolish abortions in the nation. They also voiced an interest in obtaining money.

Escape was prevented because the victims were blindfolded and the trio was armed. The doctor's acceptance of the prospect of the death helped him stand up to the men, he recalled.

The men would not explain why he was chosen to be abducted. They seemed articulate and not mentally disturbed. But the constant possibility of death had a severe effect on him and his wife, Dr. Zevallos said.

When told that God had instructed Anderson, the physician said he almost was tempted to reply to the men that this was incorrect, and that "I talked to God and He said it wasn't true."

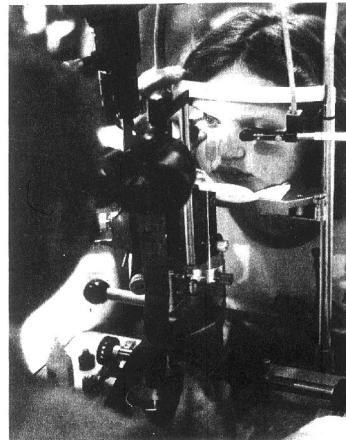

ART COMPETITION ENTRIES SOUGHT

Entry forms still are available for the 17th annual Madison County Town & Country Amateur Art Show which is scheduled for May 13 to May 15 at the Fox Arena in Roxana Park in Roxana.

The show is open to any amateur artist 18 years of age or older. Entry forms and rules can be obtained at the Madison County extension office, 909 Hillsboro Avenue, Edwardsville, or can be mailed on request by calling 1-666-8400. All entry forms must be received by 5 p.m. on the April 26 deadline.

Works entered in this year's show will be judged by Dr. Walter Johnson of Urbana, professor at art (emeritus) with the University of Illinois. Works earning blue ribbons at the local show will be eligible to compete in the Regional Town and Country Art Show at St. Clair Square Mall, Fairview Heights in June. Works receiving blue ribbons at the regional show then are eligible to compete in the State Town and Country Art exhibition next fall in Urbana.

Band officers will be recognized during the concert for their years of service in the band program. Selections to be presented include, "Manhattan Beach," a march by John Philip Sousa; "Overture to 'Die Meistersinger,'" by Richard Wagner; "Variation Overture," by Clifton Williams; "Ballet Paraden," selections from the ballets of Jacques Offenbach; "Caucasian Sketches," by M. Ippolitov-Ivanov; Vincent Youmans' Fantasy arranged by Paul Yoder; Selections from "The Sound of Music," by Richard Rogers; "Charlots of Fire," by Vangelis; "Arrangers' Holiday," a novelty based on "Twinkle Little Star," arranged by Yoder, Bennett and Walters.

HEALTH FAIR '83. Becky Harshaw of Venice receives a glaucoma test Tuesday at St. Elizabeth Medical Center's Health Fair. She was among about 500 persons who attended the fair, which included eye, pulmonary function and blood testing. Slightly more than 500 persons attended the annual fair last year.

Offer incentives for early retirement from Bi-State

A voluntary early separation plan for salaried employees of the Bi-State Development Agency, designed to reduce the number of administrative jobs, has been announced by Board Chairman Richard Baalmann.

Employees who are at least 55 years of age in 1983 with 20 years of credited service will be offered a one time payment equal to \$300 for every month they leave before age 65. The effective departure date is June 30, 1983, and cut-off date for those making the voluntary decision is May 31.

According to Chairman Baalmann, of the approximately 250 salaried employees at the agency, 45 would be eligible for early retirement under the plan. If all 45 accepted the offer and

none were replaced, the net savings would be more than \$500,000 the first year and \$1.5 million each year thereafter. "Not all 45 are expected to retire early, not are all positions that are vacated likely to remain vacant, therefore annual savings after the first year will probably be between \$500,000 to \$1 million," Baalmann said.

The purpose of the incentive to take early retirement is to reduce operating costs, Baalmann continued. "Also, with the closing this summer of two garages and the opening of one new garage, fewer administrative personnel will be needed. This means of reducing personnel is much preferable to layoffs," Baalmann said.

Madison band to give final concert

The Madison High School band will present its final concert of the school year at 8 p.m. Thursday in the high school auditorium.

Band officers will be recognized during the concert for their years of service in the band program.

Selections to be presented include, "Manhattan Beach," a march by John Philip Sousa; "Overture to 'Die Meistersinger,'" by

Richard Wagner; "Variation Overture," by Clifton Williams; "Ballet Paraden," selections from the ballets of Jacques Offenbach; "Caucasian Sketches," by M. Ippolitov-Ivanov; Vincent Youmans' Fantasy arranged by Paul Yoder; Selections from "The Sound of Music," by Richard Rogers; "Charlots of Fire," by Vangelis; "Arrangers' Holiday," a novelty based on "Twinkle Little Star," arranged by Yoder, Bennett and Walters.

Admission to the concert is by season ticket or single admissions are available at the door.

The concert will be directed by William F. Ledbetter, director of bands in the Madison schools.

Steal dog from humane shelter

Burglars entered the Granite City Humane Shelter in the 2700 block of Missouri Avenue and stole a 3-year-old male pit bulldog, Humane Officer Paul Derossett reported at 5:15 p.m. Saturday.

The intruders apparently climbed over the building's roof and entered a fenced area at the rear. At that point, they crawled through a wall opening used by the dogs to gain access to an outside run.

The stolen animal, whose name is Wellington, was confined in a cage inside the shelter. Derossett said it appeared the thieves left by the same route they entered, carrying the dog over the rooftop, Derossett said.

WARRANT ARREST

Raynard J. Parker, 21, of 143 Viola Jones Homes, Venice, was arrested last week by Madison police on warrants alleging failure to appear in court on a battery charge and a probation violation, both from Madison, and two warrants alleging failure to appear in court, one from Madison County and the other from Flossmoor, Ill., police. He was turned over to county authorities.

Library finds friends

By GEORGEANN MCGEE
of the Press-Record

The Granite City Public Library began the start of a beautiful friendship with a group of book enthusiasts who gathered among the shelves last week to learn how to promote the library.

The event was the first general membership meeting of the Friends of the Granite City Public Library, a group with goals to stretch the city's tax dollars while letting residents know what the library has to offer.

Despite snow blowing outside, about 40 came to hear speakers explain how their libraries benefited from their own friends groups. Two speakers, one from Highland and others from Edwardsville — also gave hints on ways to gently nudge residents back to the library year-round.

Members, seated in rows of chairs surrounding the library's check-out desk, were told by long-time library user, Granite City Mayor Paul Schuler, that their dedication to the library showed the respect the library holds in the community. He pledged the city's support for the group.

But Faye Zoeller, Highland Library director, commented tax dollars go only so far towards purchasing library materials. "Friends mean all the extras we can't afford with our dollars."

Edwardsville Library Friend Sue Welch said library support groups have three possible purposes: raising funds, offering outreach services or combining the two goals.

Successful activities the Edwardsville group has sponsored include "Meet the Author" sessions, book sales, potluck dinners, "Buy a Book for the Library" drives and creative writing workshops for young people.

The local friends group was formally launched at the beginning of the 25th National Library Week, an appropriate

time for the community to become more involved with its system, blessed by both a capable staff and growing resources.

"Granite City has an excellent library," the director said.

The library holds more than 80,000 books, 6,000 records, 100 audio cassettes, 40 video cassettes, 200 current magazine titles and 50 circulating art prints. "Yet people are hungry for information we do not have," Librarian Robert Stack said.

Last month, the library checked out more books than in any previous month in operation, clipping months of continuous circulation records.

In the business portion of the meeting conducted by Carol Kalkbrenner, temporary chairman of the steering committee, members unanimously approved the groups' bylaws.

To maintain an association of persons interested in books, library services and their community:

- To increase public awareness of all library services and facilities.
- To assist in bringing to the Granite City Public Library funds for special needs beyond the command of the library budget.
- To encourage gifts of books, desirable collections, endowments and bequests.

To serve as a resource to the library staff, through volunteer projects.

And to maintain a cooperative relationship with the library board, administration and staff.

Friends membership is open to any individuals or groups in the community. Single membership dues are \$3 and clubs may join for \$25 a year.

The group currently has a membership roll of 70 members.

Those interested may call the library at 876-0550.

Move toward computerizing registration

Southern Illinois University at Edwardsville will begin a change toward a more completely computerized records keeping system during summer registration, according to John Davis, assistant director of admissions and records at the University.

Summer quarter registration will be similar to registration in the past, in that students will register on a priority system based on class status and alphabet.

Students intending to attend classes at the university during the summer quarter should see a class schedule for details on priority listings, dates and times, he said.

Beginning with the summer quarter, mandatory advisement for students attending the university will be required before they register for classes. It will be necessary for all new, continuing, re-entering and transfer students, both at the undergraduate and graduate levels, to see an adviser prior to registration.

In order to register, they must submit a course request form (CRF) that has been signed by the adviser indicating what courses they will be pursuing during the quarter.

Davis said students will be allowed to register only for those courses which have been approved by their advisers. An adviser's signature will be required for any program change, he added.

To see an adviser, undergraduate students who have declared majors are to contact their academic units.

If they have not declared a major, they are to contact their assigned adviser. Davis said. Non-degree students will contact the Office of Academic Advisement located in Rendleman 1310 at 692-2242.

Graduate students who wish to see an adviser are to contact their academic units if they have been admitted into a graduate program. However, if their status is either "classification pending" or "unclassified," they can contact the Graduate Admissions and Records Office at 692-3160 (located in Rendleman 2215) for directions.

Davis emphasized that it will be necessary for students to see an adviser to obtain a signed CRF before they will be allowed to register for classes this summer.

Summer quarter registration begins May 24. The hours of registration will be announced at a later date.

Venice vehicle stickers May 1

Venice city stickers, which are required by ordinance to be displayed on all vehicles owned by residents, will be sold at a cost of \$3 each, starting May 1 through May 31, Venice Comptroller Roseann Kockler announced this week.

The fee for each sticker increases to \$5, beginning June 1, she reminded residents.

Stickers may be obtained between 8 a.m. and 4 p.m. Mondays through Fridays at the comptroller's office in the Venice City Hall.

Job Awareness Day for the Handicapped attracted 125

A Job Awareness Day for the handicapped last week gave the handicapped an opportunity to study what skills are required for various jobs.

Marcus Crisman of the Illinois Job Service opened the program by explaining Targeted Job Tax Credits to the 27 employers present.

Ron Payton and Jo Marie Bywater accepted a plaque for St. Elizabeth's Medical Center from Steven Baen, representing Region I Special Education District and the Parents for Special Education. The plaque was presented to the Center for its commitment to hiring the handicapped and support of the school systems' coop program.

More than 125 handicapped students and adults attended.

Employers represented were Auto Service, C.E.T.A. Manpower, Children and Family Services, city of Granite City, Division of Rehabilitation Services, Granite City Housing Authority, Coordinated Youth Services, U.S. Postal Service, Venture Stores, Metro St. Louis Urban League, Willing Workers of America and the Granite City School District.

Also the Hispanic Employment Program Council, Illinois Bell Telephone, Illinois Technical School, Comprehensive Mental Health Services, Madison County Association for Retarded Citizens, Madison County Urban League, Madison School District, Health Services of Southern Madison County, OATH,

O'Dell Iron and Metal, St. Elizabeth Medical Center, Social Security Administration, Southwestern Illinois Epilepsy Association and Specialized Services.

The Job Awareness Day committee consisted of representatives of the Region I Special Education District, the Parents for Special Education and Illinois Job Service. The combined effort of these agencies allows for contact with

both student and adult handicapped citizens.

Commented one employer, "This is my first Job Awareness Day for the Handicapped and I was impressed by the manners and ability of the people I met. I think it should be done more often."

This was the fourth annual Job Awareness Day.

Blame ice for Route 3 mishaps

Ice patches on Route 3, near Niedringhaus Avenue, were blamed for two accidents early last week in which only one person is believed to have sustained an injury. Vehicles involved in the two separate mishaps were in the highway's southbound lanes.

Initially, a station wagon operated by Eva M. Doza, 42, of 2208 Missouri Ave., hit an ice patch, causing the driver to lose control and strike a guard rail on the west side of the highway.

Reports said that Mrs. Doza's vehicle then veered to the left across two traffic lanes and struck an auto operated by Eddie D. Turner, 19, of Wood River.

Due to the icy road surface, a third vehicle driven by Michael L. McGee, 32, of 1729 Primrose Ave., was unable to avoid the accident and also became involved.

Seconds later, John E. Nimmans, 29, of Bunker Hill, reported seeing the previous mishap and began to slow down his auto, but was hit by a vehicle operated by Patrick A. McGuigan, 24, of Alton, who said he applied the brakes and started to slide. The Nimmans car then struck the highway's dividing wall, reports said.

Donna Wagner of Godfrey, a passenger in the McGuigan car, suffered a minor injury in the mishap.

VANDALIZES CAR
The windshield and rear window of a 1966 auto belonging to Debra Green, 4803 Kirkpatrick Homes, were smashed by a vandal, apparently wielding a pipe, she reported last week. Two tires also were flattened on the vehicle, which was parked in a lot at the housing complex. A man was seen near the damaged auto and a pipe was recovered from a nearby yard, reports said.

\$6,095*

Word processing never looked so good.

For \$6095, not including destination charges, you can get a complete DECmate word processing system. Complete with letter quality printer. Complete with software. Complete with self-paced training. In short, a whole system completely capable of handling the word processing and electronic filing needs of your whole office. Choose a desk-top draft printer, and the price is as low as \$4585.

If that's not enough to satisfy you, you can choose from a complete set of additional options—ones that will turn DECmate into a complete data processing system. For things like accounting, inventory control, list processing, financial modeling, communications. There are more than 100 different software programs for DECmate, for more than 100

different kinds of business uses. So if you want a word processing system that can help you do the complete job of managing your business, go to your Digital Computer Store and look at a DECmate. But hurry. At this price, we can't be completely sure there'll be one for you to look at.

Mayors' council meets Wednesday

The Southwestern Illinois Council of Mayors will meet Wednesday in Meridian Ballroom at the University Center on the Southern Illinois University at Edwardsville campus.

An invitation to attend the dinner meeting and a special program, scheduled to commence at 4:30 p.m., was relayed to Venice Achern by Mayor Tyrone Echols at last week's city council meeting.

A hospitality hour with a cash bar begins at 6 p.m. Wednesday, with dinner served at 7 o'clock and the meeting starting at 8 p.m., Mayor Echols said. Cost will be \$11 per person.

Those attending an earlier session, beginning at 4:30

p.m. Wednesday, will hear a program provided by the Environmental Control Law Section Council of the Illinois State Bar Association.

The session will recess for a social hour at 6:15 p.m. and reconvene about 8:15, when the speaker will be Laurence A. McHugh of the Books, Pitts, Fullagar and Poust, a Chicago firm.

Mayor Echols said topics to be explored in the program will relate to environmental concerns of municipal officials.

Other featured speakers will include representatives of the Illinois Pollution Control Board and the Illinois Environmental Protection Agency.

Sweet Adelines contest in St. Louis, April 29

The eighth annual Sweet Adelines competition will be on April 29 and 30 at the Chase-Park Plaza Hotel.

The annual competition is the high point of the year for every Sweet Adeline. Many hours are spent practicing the carefully selected songs, with emphasis on sound, expression and showmanship.

Since these are the categories that will be judged. In addition to learning to sing the correct notes with the proper expression, additional time is required to learn the choreography for the songs, for this is important to the overall performance. Costumes have been made by the members, and each outfit is lavishly adorned with sequins for that striking on-stage effect.

This year, 25 choruses, ranging in size from 30 to 100, will have a total of six minutes to present their performance. One chorus and one quartet, having scored the highest number of points, will be declared the winners.

The reward for them is the opportunity to compete at the International level and perhaps achieve the ultimate—becoming International Champions.

This will be barbershop harmony at its very best, and the public is invited to attend the quartet competition on Friday at 6:30 p.m., or the chorus competition beginning at 8 p.m. Saturday in the Khassan Room of the Chase-Park Plaza Hotel.

Special entertainment will follow the performances on Friday and Saturday.

Milton confirms recount plans

Sixth Ward Alderman Walter Milton has confirmed that he has informed Madison County Clerk Evelyn Bowles that he will seek a vote recount.

According to the official Granite City election canvass of the April 12 results, Milton lost by two votes to Woodrow "Woody" Moad.

Milton was not yet sure exactly what procedure would be followed—a partial recount or a full recount before a county judge.

New four-year elective terms will begin in May.

TATE PERFORMS WITH WIND GROUP

The Wind Ensemble presented a concert Sunday at the Southern Illinois Building theater at Southern Illinois University at Edwardsville.

The program included selections by Haufrecht, Poot, Monteverdi and Reizenstein. The Ensemble was conducted by Marcia Ann Lafuze, assistant professor in the department of Music at SIUE.

Members of the ensemble include Norbert Tate of Granite City, Timpani.

COMMENDATION. Staff Sergeant Dennis Bruce McBrien of Granite City, right, receives the Air Force Commendation Medal from Brigadier General Donald C. Smith, commander of U.S. Forces Azores, in ceremonies at Laies Field in the Azores. A 14-year veteran of Air Force service, Sgt. McBrien is the son of Mrs. Mina McBrien, 43 Edwards Drive. He is involved in a joint service mission in the mid-Atlantic theater.

Home heating costs is meeting program

Chris Olsen, assistant to the Service Area Manager, from Illinois Power Co., was the guest speaker at a meeting of the Willing Workers of America, held at the Jaycee Hall, 1855 Poplar St.

Olsen presented a videotape which explained why the cost of heating with natural gas was rising.

Because Illinois Power is only a distributor of natural gas, the company does not establish the price of the gas, the producer of the natural gas sets the price. Even though currently there is not a shortage of natural gas, the source of the gas is further from the consumer, and the wells are deeper which contributes to the final cost of the gas, he explained.

Olsen then said if a person received a disconnect notice to immediately contact a Credit Representative at Illinois Power and make arrangements to pay at least a portion of the bill. The Power Company just needs to be kept informed of your situation," he concluded.

Noting Corallius, president of Quad-City Church Women United, Project Help, a new organization comprised of the steelworker unions, churches, and social service agencies. The purpose of the

project is to provide supplemental food on a short-term basis to laid-off workers who are having difficulty making ends meet. For further information call 877-6290.

President Steve Ortiz conducted the regular business meeting with a progress report on the organizations' annual tax exempt status. Brenda Derby presented information

regarding the Handicapped Fair, and noted Dave Onkle and Jeff Wienhoff of the organization at the fair.

The next meeting will be April 30 at the Granite City Jaycee Hall, 1855 Poplar St. at 10 a.m. The featured speaker will be Nancy Hess from Venice Lincoln Technical School, the president added.

Draft registration form is no longer needed for financial aid

Student financial aid officers at Southern Illinois University at Edwardsville have announced the university's position in regard to Selective Service registration compliance regulations.

John Jettett, director of the SIUE Office of Student Work and Financial Assistance, said a preliminary injunction filed by the U.S. District Court in Minnesota means that SIUE cannot deny students financial aid for the 1983-84 academic year if they do not sign a Statement of Registration Compliance form.

Jettett said students are being advised that completion of the statement is voluntary because SIUE has already distributed a substantial number of 1983-84 financial aid application forms to area high schools and other agencies.

The financial aid officer cautioned, however, that the statement also contains the "Statement of Educational Purpose," which is still required under other federal guidelines. Therefore, students who do not wish to voluntarily complete the current combined statement should contact the Office of Student Work and Financial Assistance to sign a separate Statement of Educational Purpose.

"It is important that students complete the statement to avoid delays in being considered for financial aid for 1983-84," Jettett said. "Students who have already completed the statement on the SIUE form do not need to take further action at this time."

Students with questions about the statement should contact the SIUE Office of Student Work and Financial Assistance at 1-692-3880.

RESTRAINT AND RAPE ALLEGED BY GIRL

A 14-year-old Granite City girl told of being raped in a field near Highway Three and Interstate 579 at 11 p.m. Thursday but then she and her mother allegedly declined to cooperate with authorities at a hospital. Reports were filed by Granite City police and the Madison County sheriff's staff.

The case was concluded after unlawful-restraint investigations in which police and deputies sought a man about 5-5 in height, with a gruff voice and dark shoulder-length hair. The girl had been baby-sitting; she was accosted while walking toward her home and was forced into an auto.

The financial aid officer cautioned, however, that the statement also contains the "Statement of Educational Purpose," which is still required under other federal guidelines. Therefore, students who do not wish to voluntarily complete the current combined statement should contact the Office of Student Work and Financial Assistance to sign a separate Statement of Educational Purpose.

He said SIUE will help BAC meet all three of its missions—inexpensive college services, close proximity to students' homes and local control of policies.

It was noted that in the St. Louis Business Journal's report on universities and colleges in this metropolitan area in February, BAC advanced from second place a year ago to first among all 20 St. Louis-region institutions of higher learning.

A 2,100-square-mile BAC district has 3,060 full-time students.

Big increase in local college students sought

By BILL WINTER

When the Granite City Center of the Belleville Area College district opens Aug. 22, it is hoped there will have been a substantial rise in the number of Quad-Cityans attending college.

That was the message last week of BAC President Bruce Wissore, who addressed the April prayer breakfast in Granite City. Registration is being conducted today at Granite City High School North, which is the site of the Granite City Center.

After today, registration for the fall semester will take place at the Granite City BAC Granite City daytime center, Washington School, and at the current BAC Granite City nighttime location, GCHS South.

Those two centers will close when the new day-and-night school is established in the North building.

Dr. Wissore said "red ink" is unavoidable here initially because state financial aid to colleges has a built-in two-year delay. No matter how many people enroll for the fall of 1982, state funding will not begin until 1985.

It is hoped to triple the 11,000 credit hours currently taught in Granite City (the night classes at South and the day courses at Washington). GCHS will operate almost around-the-clock at the present North High, Maryville Road and Highway 203.

In addition to a quarter-million dollars to be expended in 1983-84 because of the state's estimated \$1 million will be spent here by BAC that year, it was estimated.

The president praised the foresight of the BAC board, including Chairman Patricia Bartsokas, who has been the Granite City Chairman of the Board since 1979.

Dr. Wissore introduced Dr. Frank Gornick, GCHS provost, Dr. Wayne Clark, BAC vice-president of instruction, Dr. Weldon Tallant, BAC vice-president of student development, Jim Hines, BAC vice-president of administrative services, Rosanna Herren, who will be GCHS director of student life and community services, and Sharon Owens, student member of the board of trustees.

It was announced that Lee Knoebel, financial aid advisor, will move from BAC to GCHS to serve as director of administrative services.

The new center will offer a full range of student activities and there will be a cafeteria, book store, student gymnasium and library, Dr. Wissore said.

A former student and coach at Southern Illinois University at Carbondale, the BAC president recalled past links with Granite Cityans.

He said GCHS will help BAC meet all three of its missions—inexpensive college services, close proximity to students' homes and local control of policies.

It was noted that in the St. Louis Business Journal's report on universities and colleges in this metropolitan area in February, BAC advanced from second place a year ago to first among all 20 St. Louis-region institutions of higher learning.

A 2,100-square-mile BAC district has 3,060 full-time students.

Dr. Wissore said "red ink" is unavoidable here initially because state financial aid to colleges has a built-in two-year delay. No matter how many people enroll for the fall of 1982, state funding will not begin until 1985.

It was announced that Lee Knoebel, financial aid advisor, will move from BAC to GCHS to serve as director of administrative services.

The new center will offer a full range of student activities and there will be a cafeteria, book store, student gymnasium and library, Dr. Wissore said.

A former student and coach at Southern Illinois University at Carbondale, the BAC president recalled past links with Granite Cityans.

He said GCHS will help BAC meet all three of its missions—inexpensive college services, close proximity to students' homes and local control of policies.

It was noted that in the St. Louis Business Journal's report on universities and colleges in this metropolitan area in February, BAC advanced from second place a year ago to first among all 20 St. Louis-region institutions of higher learning.

A 2,100-square-mile BAC district has 3,060 full-time students.

time and 8,912 part-time students.

Already first, BAC hopes to continue growing despite reductions in the local college-age population. Pres. Wissore showed slides explaining the administration's "can do" attitude and emphasized his belief that the local community is "a winner."

He added, "We don't back losers," and said he is convinced that Quad-Cityans will fully utilize GCHS, an essential ingredient if it is to succeed.

We back no losers, either," moderator Drew Karandeff said in voicing the breakfast group's approval of BAC's Granite City initiative.

The group was told that Southern Illinois University at Edwardsville is cooperating with the college officials in a variety of ways, including development of plans for the GCHS library.

Granite City college will permit SIUE to visit the local facility and explain university course offerings to college students desiring information about SIUE.

Portation of GCHS is expected to result in BAC surpassing Central Illinois College in Peoria, becoming the largest-enrollment district of the 35 in Downstate Illinois. The Chicago area has four big community college districts.

The speaker attributed the present lack of BAC attendance in the northernmost and southernmost areas of the college district to the cost and time involved in commuting. BAC also hopes to establish a southern center soon.

The college was unable to expand here earlier due to limited funds, and cannot afford to construct a major facility here now.

It has signed a long-term lease with the Granite City School Board, which was praised by Dr. Wissore.

He said Supt. B. J. Davis has always provided excellent cooperation with college programs.

He also commended the Madison and Venice school systems and said he hopes to work closely with them. BAC currently provides 17,000 credit hours in instruction each year. If GCHS develops as expected, it will account for 18 percent of the total, the group was told.

The president said GCHS will feature courses enabling students to transfer to such schools as SIUE and the University of Illinois after completing two years of college study here.

With data processing and secretarial science to be emphasized, GCHS will have microcomputer centers, equaling that at BAC, he said. The college will move aviation maintenance and electronics instruction here from rented space in Cahokia.

He said the varsity soccer and wrestling teams will be moved to GCHS, and there will be men's basketball, women's basketball and women's volleyball.

Tuition aid will be provided for some of the athletes and for some academically talented students, it was related.

GCHS jackets displayed Wednesday will be awarded to those contributing \$200 or more to the Granite City Stars Club for scholarships.

Dr. Wissore promised "well-rounded student activities, an open gym, and all that it takes to have a collegial atmosphere. They will not just be a building where you can take courses."

He predicted a \$1,700,000 college district balance June 30, compared to \$200,000 three years ago, \$825,000 two years ago and \$1,420,000 a year ago, attributing the increase to productivity gains. BAC's budget is about half the size of that of the Granite City school district.

To provide the flexibility the college needs when scheduling courses in response to last-minute registration, the bulk of teaching is obtained on a part-time basis, the gathering was told.

Although this will limit the number of full-time jobs to about five department heads, many part-time positions will be created, Dr. Wissore said.

He said that all who are interested in full-time or part-time work contact BAC. Hiring is expected to be particularly heavy in the college-age population from the local community.

As enrollment here grows, the size of the staff will be increased, he stressed.

The Quad-City area has been a part of the Belleville Area College district since the early 1970s, when new population and tax base minimums set by the Illinois Community College Board prevented formation of a local college district.

The state decisions made it necessary that this community join either BAC or Lewis and Clark College, Godfrey, Lewis and Clark College, Godfrey, R. L. Trimpe attended with BAC. Pres. Wissore on the night when the Granite City board voted to lease North.

With BAC's principal facility at 2500 Carlyle Road, Belleville—becoming more and more overcrowded, trustees and administrators during the 1980s have been studying ways to better serve the large geographic area, which has an assessment of \$1.5 billion.

Development of additional extension centers was added to BAC goals at the time of the 1982-83 school year as a way of expanding services and decreasing students' travel time.

The two-year college began in 1946 as an extension of Belleville Township High School West, and since 1967 it has been known as District 522, one of the college districts in Illinois.

Its image for several decades has included a reputation of community service, fiscal conservatism, and innovation in developing courses and seminars.

Through outnumbered by the Belleville region in voting at Board of Trustees elections, the Quad-City School Board, which was chaired by Dr. Wissore, has been represented by Robert H. Hines.

With the age of BAC students currently averaging 29.7 years, GCHS is likely to attract students of all ages.

A goal this spring is to attract Granite City, Belleville, Venice, Collinsville, Highland and Troy area high school seniors. Talk of a wrestling championship in 1983-84 already has begun, with a number of outstanding wrestlers indicating their intent to enroll at the Granite City college.

He said that all who are interested in full-time or part-time work contact BAC. Hiring is expected to be particularly heavy in the college-age population from the local community.

As enrollment here grows, the size of the staff will be increased, he stressed.

The Quad-City area has been a part of the Belleville Area College district since the early 1970s, when new population and tax base minimums set by the Illinois Community College Board prevented formation of a local college district.

The state decisions made it necessary that this community join either BAC or Lewis and Clark College, Godfrey, Lewis and Clark College, Godfrey, R. L. Trimpe attended with BAC. Pres. Wissore on the night when the Granite City board voted to lease North.

With BAC's principal facility at 2500 Carlyle Road, Belleville—becoming more and more overcrowded, trustees and administrators during the 1980s have been studying ways to better serve the large geographic area, which has an assessment of \$1.5 billion.

A goal this spring is to attract Granite City, Belleville, Venice, Collinsville, Highland and Troy area high school seniors. Talk of a wrestling championship in 1983-84 already has begun, with a number of outstanding wrestlers indicating their intent to enroll at the Granite City college.

He said the varsity soccer and wrestling teams will be moved to GCHS, and there will be men's basketball, women's basketball and women's volleyball.

Tuition aid will be provided for some of the athletes and for some academically talented students, it was related.

GCHS jackets displayed Wednesday will be awarded to those contributing \$200 or more to the Granite City Stars Club for scholarships.

Dr. Wissore promised "well-rounded student activities, an open gym, and all that it takes to have a collegial atmosphere. They will not just be a building where you can take courses."

He predicted a \$1,700,000 college district balance June 30, compared to \$200,000 three years ago, \$825,000 two years ago and \$1,420,000 a year ago, attributing the increase to productivity gains. BAC's budget is about half the size of that of the Granite City school district.

To provide the flexibility the college needs when scheduling courses in response to last-minute registration, the bulk of teaching is obtained on a part-time basis, the gathering was told.

Although this will limit the number of full-time jobs to about five department heads, many part-time positions will be created, Dr. Wissore said.

He said that all who are interested in full-time or part-time work contact BAC. Hiring is expected to be particularly heavy in the college-age population from the local community.

As enrollment here grows, the size of the staff will be increased, he stressed.

The Quad-City area has been a part of the Belleville Area College district since the early 1970s, when new population and tax base minimums set by the Illinois Community College Board prevented formation of a local college district.

GERIATRIC NURSING

Doris Bell, associate professor of nursing, will discuss geriatric nursing Friday at SIUE. The free discussion is part of a weekly research colloquia series sponsored by the Gerontology Program. The discussion will be in Room 340 of Building II, Ann Carey, coordinator of the series, said the speaker will discuss abuse of the elderly as a secondary topic.

Papa heads Hospice board of directors

By DEBORAH WILLIAMS
St. Elizabeth
Medical Center

John Papa has been elected president of the Hospice of Madison County board of directors, according to Nina Millett, director of Hospice.

Papa, a lawyer with the Granite City firm of Callis and Hartman, who also is the attorney for the Madison School District and the city attorney for Granite City. He is a member of the American Bar Association and the American Trial Lawyers Association. He holds a bachelor of arts degree in political science and international affairs from the University of Notre Dame and received his law degree from the University of Illinois at Champaign.

Evelyn Bowles, county clerk of Madison County, was elected vice president. Active in numerous organizations, Miss Bowles is a member of the Edwardsville Business and Professional Women's Association, St. Mary's Lector Society, American Legion Post 199, the Illinois Association of County Clerks and Records, and is a member of the board for the Edwardsville Cancer Society. Miss Bowles attended Illinois State University, Greenville College and is a graduate of the Southwestern Photo Arts Institute of Dallas, Texas.

Serving as secretary is Imogene McCluthe, who holds a bachelor of science degree in Spanish and English from Southern Illinois University at Edwardsville.

Tom Holloway, senior vice president with First Granite City National Bank, was elected Hospice treasurer. Besides his involvement in the Hospice program, Holloway is a member of the American Institute of Banking and the board of directors for the Tri-Cities Area Chamber of Commerce. Holloway received his bachelor of arts degree in mathematics and his master of business science degree in finance from Southern Illinois University at Carbondale.

STATE APPOINTEES; NEW HEALTH LEADER

Gov. James R. Thompson has reappointed David Kenney, 60, as director of Conservation, Brad Elvitz, 45, as director of Mines and Minerals, E. Allen Bernardi, 59, as director of Labor, and Michael Jones, 34, as State Lottery superintendent and Ronald J. Miller, 49, as State Police superintendent.

The governor has asked Mental Health Director Ivan Pavlovic, 55, to return to his previous position as chief of Clinical Services and director of Illinois mental health institutes, effective April 25. Thompson will look outside the agency for a new director and Pavlovic has agreed to help in identifying names for consideration. The governor said he is seeking a new outlook on the department's problems and programs with the beginning of his third term in office.

FOOD STORE LOOTED, 3 STUDENTS CHARGED

Terry H. Means, 17, of 1608 Kirkpatrick Homes was charged Thursday with theft and contributing to the delinquency of a minor after police broke up an alleged theft ring said to have been targeting the National food store. Means pleaded innocent and was freed on a \$5,000 recognizance bond.

A boy, 13, was named in a delinquency petition and was taken to the Madison County juvenile detention home. A boy, 14, was charged with theft and four others were implicated. It is believed that some in the group took large quantities of cigarettes, lighters, sunglasses, pens and candy.

JOHN PAPA
Elected president

EVELYN BOWLES
Vice president

IMOGENE MCCLUTHE
Hospice secretary

TOM HOLLOWAY
Picked as treasurer

Registration starts for BAC-Madison fall classes

Registration began today for fall 1983 Belleville Area College classes in Madison.

Students may register from 9 a.m. to 8 p.m., Mondays through Thursdays, and from 9 a.m. to 3:30 p.m. Friday, at the Registrar's Office, room 2306, at the BAC main campus, 2500 Carlyle Road, Belleville.

Registration in Madison will be from 8 to 8 p.m. Monday, Tuesday and Wednesday, Aug. 15, 16 and 17, at Madison High School, room 109. For more information, students may call BAC-Madison Coordinator Charles Steptoe at 876-7135.

Classes meet for 16 weeks, beginning the week of Aug. 22, unless stated otherwise.

Tuition is \$21 a credit hour.

Credit courses to be offered are:

— Air Conditioning and Refrigeration I, 7 to 9:30 p.m., Mondays and Wednesdays.

— Air Conditioning and Refrigeration II, 7 to 9:30 p.m., Tuesdays and Thursdays.

— Electrical Controls for Air Conditioning, Heating and Refrigeration, 7 to 9:30 p.m. Tuesdays and Thursdays.

— Upholstering, 7 to 9:45 p.m., Tuesdays.

— Welding-Industrial, 7 to 10 p.m., Mondays and Wednesdays, 12 weeks, beginning Sept. 12.

Non-credit, self-

improvement general studies classes to be offered are:

— Home Air Conditioning and Refrigeration, 7 to 9:45 p.m., Tuesdays.

— Home Air Conditioning and Refrigeration, 7 to 9:45 p.m., Thursdays.

— Beginning Sewing, 7 to 9:45 p.m., Mondays, 11 weeks, Sept. 12 to Nov. 23.

— Upholstering, 7 to 9:45 p.m., Mondays.

— Upholstering, 7 to 9:45 p.m., Tuesdays.

— Physical Fitness, 7 to 8:50 p.m., Mondays.

Physical Fitness, 7 to 8:50 p.m., Wednesdays.

— Physical Fitness, 7 to 8:50 p.m., Thursdays.

— Refresher Typing, 7 to 9:45 p.m., Tuesdays.

— Refresher Shorthand, 7 to 9:45 p.m., Wednesdays.

— Auto Body Repair, 7 to 9:45 p.m., Mondays.

— Auto Body Repair, 7 to 9:45 p.m., Tuesdays.

— Welding, 7 to 9:45 p.m., Mondays.

— Welding, 7 to 9:45 p.m., Fridays.

— Auto Mechanics, 7 to 9:45 p.m., Tuesdays.

— Auto Mechanics, 7 to 9:45 p.m., Wednesdays.

— Small Gas Engines, 7 to 9:45 p.m., Tuesdays.

— Advanced Heating and Air Conditioning, 7 to 9:45 p.m., Fridays.

Forum discusses condition of housing in this region

The Center for Urban and Environmental Research and Services at Southern Illinois University at Edwardsville will sponsor a public affairs forum Thursday on the present conditions and future prospects of housing in the Metro-East area.

The forum will meet in the Maple-Dogwood rooms of the University Center from noon until 5 p.m. Registration is \$5, and the public is invited to attend.

Co-sponsoring the event are the Alton-Wood River, Belleville, Edwardsville, Collinsville and Granite City Boards of Realtors; Homebuilders Association of Southwest Illinois; Madison County Homebuilders Association; League of Women Voters of Illinois; Urban Leagues of Madison County and Metro St. Louis.

LARGE SCALE PARTY GETS OUT OF HAND

Called to a disturbance and a report of a large light taking place in the vicinity of 215 Wilson Park Lane at 10:55 p.m. Friday, officers arrived at the scene to find an estimated crowd of 200 young people in the street and in the house.

They were told by Miss Sandy Laster, who resides at that address, that a party had been taking place there which got out of hand. The parents were not present at the time, it was reported.

While most of those in the area began leaving, Richard W. Ferris, 18, of 2506 W. 20th St., alleged to be refused to leave and was forcibly removed from the home.

In the front yard, Ferris reportedly began fighting and kicking the officers. He was arrested and charged with disorderly conduct, being a minor in possession of alcohol and resisting arrest. He was released after posting \$250 cash bond at 9:25 a.m. Saturday.

County and Metro St. Louis; Southwestern Illinois Building and Construction Trades Council; Southwestern Illinois Metropolitan and Regional Planning Commission, and the SIUE Office of Area Development.

Following the welcoming address, Michael Quinn, research associate in the SIUE Center for Urban and Environmental Research and Services, will explore the subject, "Housing in Metro-East: Present Conditions and Future Prospects."

Panelists participating in a round-table discussion on housing affordability will include: Michael Quinn, director of marketing and sales with Adams Development Company in Alton; Tom Starob, developer of the Westwood Village condominiums in Maryville; Kenneth Crossley, vice president for mortgage lending at Illinois Federal Savings and Loan Association, and Lee Kriegerfeld, executive director for the St. Clair County Housing Authority.

Four members of the business and industrial community will discuss neighborhood quality. They are: Frank Marconi, executive director of Neighborhood Housing Services of St. Louis, Inc.; Cheryl Jouett, director of the Madison County Community Development Agency; Donna Marrone, secretary of the Edwardsville Township Home Improvement Corporation, and Kerry Miller, secretary of the Alton Area Landmarks Association.

"Since the end of World War II, housing in Metro-East has improved dramatically

in at least two respects," Quinn said. "Both substantial hard physical condition and insufficient dwelling unit space have ceased to be problems throughout most of the region."

At the same time, Quinn said, other concerns have arisen. Increasingly, Metro-East residents are finding difficulty with the affordability of housing and, in selected communities, residents are experiencing problems with maintaining the neighborhood quality — a concept that goes well beyond the bricks and mortar of housing to include the quality of public services, such as schools, and a variety of other factors," he said.

The public affairs forum will provide concern in individuals and organizations with the opportunity to meet and discuss these issues, he noted.

Additional information may be obtained by contacting Michael Quinn at the University by calling 1-692-3032.

SENIORS TO STUDY INFLATION EFFECTS

The sources and solutions to inflation will be examined Wednesday as part of the weekly Dialogue with Senior Citizens series at Southern Illinois University at Edwardsville.

Paul Suttan, professor of economics and management at SIUE, will lead the free discussion that will meet from 1:30 to 4 p.m. in the Mississippi-Illinois Room of the University Center.

In the program scheduled Wednesday, May 4, Ray Bernardi, associate professor of business education at SIUE, will discuss wages, investments, social security and pension plans. The discussion will be in the Maple-Dogwood Room of the University Center from 1:30 to 4 p.m.

For more information about the programs interested persons may call the SIUE Gerontology Program at 1-692-3454.

Madison bike-a-thon seeks riders

A one-mile bicycle route in Madison will be the site Saturday for a fund-raiser project to help the local chapter of the Cystic Fibrosis Foundation.

Bicyclists are being sought to enter the bike-a-thon, which will start at the Madison Recreation Center, Seventh Street and Lee Avenue, Madison.

Registration will begin at 12:30 p.m. Saturday for the event, to be held from 1 to 2 p.m.

The bicycle route will begin at the Madison Recreation Center, go east to Alton Avenue, north to 12th Street, west to Washington Avenue, south to Seventh Street and finally back east to the recreation center.

Refreshments will be served.

Participants will be asked to sign up sponsors for the bike-a-thon. Those pledges must be collected and turned in by May 15. Prizes for those collecting the most money will be awarded by the end of May.

All funds raised will go to the Gateway Chapter of the Cystic Fibrosis Foundation, which serves Southern Illinois, Eastern Missouri and the Greater St. Louis area. The money will be used for research and care of children affected by cystic fibrosis.

Cystic fibrosis is a fatal lung and digestive disease that affects one in every 1,600 babies in the country. One in every 20 people in this country unknowingly are symptom free carriers of the cystic fibrosis gene. In order for a child to have the disease, both parents must carry the gene.

Research and improved therapy may help about half the cystic fibrosis patients to live to age 18 and beyond. Continued research may develop a test to identify carriers of the gene.

The bike-a-thon is being sponsored by the Beta Nu Chapter of Phi Tau Omega Sorority and the Madison County Salon 53 of the Eight and Forty. Dorothy Hinson is the local chairman.

"You can help these children who can't take breaking for granted by participating in our bike-a-thon in Madison on April 30," Miss Hinson said.

Those interested in being sponsors for the bicyclists may either mail or submit their donations to the Madison City Hall, 1529 Third St., Madison.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING

In accordance with the requirements of the Illinois Health Facilities Planning Act and Chapter 8 of the Illinois Health Facilities Planning Board and the Illinois Department of Public Health, notice is given of a Public Hearing on an application for permit for construction and/or modification project from Cahokia Common Fields Health Care Association, Inc., Cahokia Project #82-133. The proposed project is to construct and establish a 150 bed intermediate care facility at an estimated cost of \$2,821,000.

The Public Hearing is to be held by the Illinois Department of Public Health pursuant to the Illinois Health Facilities Planning Act. The hearing is open to the public with opportunity to present oral and written comments on the proposed project. The hearing will be conducted as follows:
Thursday, April 28, 1983
3:00 p.m.
Village Hall
100 Main Street
Cahokia, Illinois
For information call 217/782-3516.

NOTICE: This meeting will be accessible to handicapped individuals in compliance with executive order #5 and pertinent state and federal laws upon notification of anticipated attendance. Handicapped persons should contact Nancy McCoy by telephone at (217) 782-3517 or by letter no later than two days prior to the meeting date.
No. 12 33 4 25

ASSUMED NAME

PUBLICATION NOTICE

Public Notice is hereby given that on April 12, 1983, a certificate was filed in the Office of the County Clerk, Madison County, Illinois, setting forth the names and post-office addresses of all the persons owning, conducting and transacting the business known as OMEGA PUBLICATIONS, located at P.O. Box 14428, St. Louis, Missouri.

Dated this 12th day of April, 1983.
Evelyn M. Bowles
County Clerk

NOTICE OF SALE

IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT

MADISON COUNTY, ILLINOIS

UNITED FIRST MORTGAGE CORPORATION,

vs. MICHAEL D. BROWN,

Defendants.

No. 83-CH-43
Under and by virtue of the decree of said Court, made and entered in the above action on the 11th day of April, 1983, an Associate Judge, as an Officer of the Court, will on the 23rd day of May, 1983, at the Hour of 11:00 A.M., in Courtroom No. 4, of the Court House of Madison County, in Edwardsville, Illinois, sell at public auction, to the highest and best bidder, for cash, the following described real estate, to-wit:
Lot 1 in Block 4 of Southern Extension of Granite City, according to the plat thereof recorded in Plat Book 13 Page 26 in Madison County, Illinois.

Said sale to commence at 11:00 A.M. on the 23rd day of May, 1983.
Terms of Sale: CASH. At said sale I will give to the purchaser or purchasers a certificate in writing, describing the lands and tenements purchased, and the sum paid therefor, and at the expiration of six (6) months from May 23, 1983, the holder thereof will be entitled to a deed for said premises, unless redeemed according to law.

Dated at Edwardsville, Illinois, this 11th day of April, 1983.
NICHOLAS G. BYRON
Associate Judge of the Circuit Court of Madison County, Illinois

NOTICE OF PUBLIC HEARING

MADISON COUNTY Zoning Ordinance

Board of Appeals

NOTICE OF PUBLIC HEARING

Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 9th day of May, 1983, at the time and place as noted below for the purpose of hearing testimony for and/or against the following proposed change in the above named Ordinance:

At 10:40 a.m. on the petition of "Kathleen Allen, Owner of Record, and Occupant of mobile home, requesting a Special Use Permit as per Article II Section 205.0 and 205.7 Subsection 205.01 of the Madison County Zoning Ordinance, 1975, in order to place a double wide mobile home, being a 24x80 on this property for the residence of Nine Gray, and Family. We would like to have this mobile home for as long as possible. This is located in an R-4 Single Family Residence District in Venice Township. This is located at 300 Allen, in Eagle Park Acres.

Lot 96, Williams Subd. of U.S. Survey 723, Claim 103.104, Venice Township, Madison County, Illinois. The hearing will be held at the above described site.

NOTICE OF SALE

IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT

MADISON COUNTY, ILLINOIS

DELMAR FINANCIAL COMPANY,

vs. Plaintiff,

SAAMUEL T. APPONEY,

vs. Defendant.

No. 83-CH-43
Under and by virtue of the decree of said Court, made and entered in the above action on the 11th day of April, 1983, an Associate Judge, as an Officer of the Court, will on the 23rd day of May, 1983, at the Hour of 11:00 A.M., in Courtroom No. 4, of the Court House of Madison County, in Edwardsville, Illinois, sell at public auction, to the highest and best bidder, for cash, the following described real estate, to-wit:
Lot 1 in Block 4 of Southern Extension of Granite City, according to the plat thereof recorded in Plat Book 13 Page 26 in Madison County, Illinois.

Said sale to commence at 11:00 A.M. on the 23rd day of May, 1983.
Terms of Sale: CASH. At said sale I will give to the purchaser or purchasers a certificate in writing, describing the lands and tenements purchased, and the sum paid therefor, and at the expiration of six (6) months from May 23, 1983, the holder thereof will be entitled to a deed for said premises, unless redeemed according to law.

Dated at Edwardsville, Illinois, this 11th day of April, 1983.

TV TEASERS

By W. WILSON CASEY

- Name the crime drama series. Clues: David Janssen... Handling cases of Treasurer Customs, Secret Service and Internal Revenue... Producer Jack Webb... CBS... Undercover agent.
- Patrick O'Neal starred along with Chester Morris and Cal Bellini in a show somewhat like "Quincy" that involved a crime-solving pathologist. Name the show.
- What was Lew Erskine's (Efrem Zimbalist Jr.) title or rank on "The FBI"?
- Peggy Lipton, Michael Cole and Clarence Williams III, played undercover cops on "The Mod Squad." What were their first names on the show?
- Name the show. Clues: Troy Donahue... Miami... Van Williams... Private eyes... Lee Patterson... 1960.
- Who starred as Kookie on "77 Sunset Strip" which also featured Efrem Zimbalist Jr. and Roger Smith as the private eyes?

ANSWERS:

- O'Hara, U.S. Treasury
- Diagnosis: Unknown
- Inspector
- Julie, Pete and Linc
- Surfside Six
- Ed Byrnes

Solution

STITCH	GRASP
CONVOY	REPEAT
